

Daily Prayer for Protection

Father, I confess my sins to you today, for things done and undone, known and unknown. (Think of them and confess). I am sorry for them, please forgive my sins and cover them in the blood of Jesus. I submit myself to the authority of the Lord Jesus Christ and present myself to you now as your humble servant, seeking to please you and accomplish your will today.

Holy Spirit, please take complete control of my mind, will, emotions; thoughts, words and actions today. Please knit me and (name) closer together, bring us into perfect harmony, accord, and unity of spirit, restore our souls, our gifts, and repair any damage inflicted by Satan and evil entities individually and collectively. Please sever all cords and attachments between us and darkness.

Lord, I ask and look to you for help, guidance, and protection today and claim the promises in your Word. I put on the whole armor of God, I put on the girdle of truth. I put on the breastplate of your righteousness. I shod my feet with the preparation of the gospel of peace. I pick up the shield of faith. I put on the helmet of salvation. I pray that you would help me to conform every thought to the obedience of Christ. I pray that you would put the same mind that is in Christ in me. Please change my desires to match your desires and give me a heart that beats only for you. I pick up the sword of the spirit. I pray always that you will fill me with the Holy spirit and the fruits of the spirit, in Jesus name. Holy Spirit, please

expand, expand, expand and fill up every available area in my body, soul and spirit, and especially around my heart. I plead the precious blood of Jesus over my body, soul and spirit, the armor of God, and all property, cell phones and technology. I draw a bloodline around me and everywhere I will go today, now.

I pray that you would place a strong hedge and a wall of fire around me and be the glory in my midst.

I pray that you will encamp mighty warring, ministering, and guardian angels around me twenty four hours a day.

I loose your angels to restore my soul and remove anything in me that should not be there. I cut any ungodly soul ties that I have made with the human and demonic with the sword of the spirit. Please replace every ungodly image, thought, and sound in me with that of Christ. I bind my mind to the mind of Christ, my will to the will of God, and my feet to the narrow path.

I loose angels to spring every trap the enemy has planned for me today. Please hide me from the eyes of the enemy today.

(Night time) Lord, please protect me this night as I sleep. Please assign angels to guard and protect my dreams from all attacks of the enemy. Please give me a sweet nights sleep according to your word. (Prov 3:24)

Father, I ask for your blessing, favor and for divine appointments today. Please draw people to my path with whom I may share Christ. Please send out many people into the harvest today and draw all people to Jesus. Please empower me to accomplish the assignments you have given to me and bring prayer burdens to my mind so that I may serve you and the body of Christ according to your will.

Father, I pray that you would place these same protections

over all property you have given me, my vehicles, workplace, and everywhere I will go today. I ask that you would apply this prayer to my family, friends, leaders (name them), every member of the body of Christ and all that you have called, according to your will. I ask these things in the mighty name of my Lord and Savior, Jesus Christ. Amen
