

Deliverance Prayer Against Bodily Torment, Anxiety and Pain

2 Timothy 4:18 says, "The Lord shall deliver me from every evil work and preserve me for His heavenly kingdom." I thank You for your promise of deliverance and preservation.

I now bind all principalities and powers that would try to interrupt this deliverance session. I come against all demons that are causing torment, anxiety, discomfort, trouble breathing, and hindrance to processes of the body.

I pray that these devils be driven out now in the name of the Lord Jesus Christ. I command all serpents and snakes to dislodge. Their bodies are not your houses. The Bible says that God will deliver us from the tormentors when we forgive others. We repent for any unforgiveness towards anyone, so we now forgive everyone who has offended us.

I command every demonic spirit of physical, mental or sexual torment to come out in the name of Jesus. In the name of Jesus, I break the power of sleep paralysis, anything causing pain in the body, or causing nerves to misfire. I command them to go. Dislodge from the spine, the back and come out, you wicked devils. I'm addressing you the name of Jesus Christ. I command you to go from them. Go to the abyss in the mighty name of Jesus.

I command out any demons that give thoughts of stress or anxiety, or cause sickness. I command out any demons that have cause pressure in the head or forehead. Any demons causing migraine headaches...go out in the name of the Lord Jesus Christ.

All demons that are causing tension in the mind or body, to never be at rest, to be stuck in high-alert mode, come out in the name of Jesus. I command out right now spirits that make people uncomfortable in their body, that give feelings of self-hatred or body dysmorphia. Come out now, self-hatred, fear, low self-esteem, doubting oneself.

I command any demons in muscles, bones, nerves or blood vessels to come out. Loose them in the name of Jesus. We come against all spirits of restlessness, fear of confrontational situations, nervous habits, not able to sit still, bouncy leg syndrome. We break all of those devils off of their lives right now. I command you devils out, out, out, right now in Jesus's name. I pray for lightness and peace in their minds and bodies.

I command out right now all spirits causing pain. I rebuke you, wicked spirits. Go from them in the name of Jesus. We lose God's judgment on you in Jesus's name. Let the judgment of God would be loosed so they would all burn up. I command you demons to look at Jesus and be burnt up by the light that radiates from Him. I pray that the Light

would shine in the darkness and the darkness would not comprehend it. All dark, demonic spirits, come out of the body right now in the name of the Lord Jesus Christ.

I command out any damage caused by drugs, weed, opiates, meth, pharmaceuticals, alcohol or cigarettes. I command all related demons anywhere in body...go now in the name of Jesus. Romans 8 says that your Holy Spirit will quicken our mortal bodies. We speak life to their bodies, minds and souls. We pray that our bodies, minds and souls would come into alignment with the word of God and His creational design.

Come out, all spirits causing diabetes or cancer. Come out, spirits that came in through rejection or self-rejection of one's own body. We lose weeping, wailing and utter destruction upon your heads right now. Come out, spirits causing doubts about their physical ability to walk or to carry things.

Fear, I command you to come out. Depart, now, the fear to engage in intense physical activity. Come out, PTSD spirits, trauma spirits that came in through accidents. I command them to go out right now. Go, go, go! You spirits can't torment them with fear any longer. You have to go in the name of Jesus Christ.

We ask for Holy Ghost fire from the top of the head to the souls of the feet. I pray Your fire would come and consume these adversaries of God. Demons that are afflicting and tormenting the children of God, I command you to go out right now. The Bible says, many are the afflictions of the righteous, but the Lord delivers them from them all.

We rebuke every python spirit that hinders breathing, tells people they can't breathe, or causes tightness, a stiff neck, stiffness in the body. We break the heavy burdens of the enemy off God's people. Jesus said, My yoke is easy and My burden is light. May rest and peace be loosed into their bodies. I pray that you would renew their minds and help them control their bodies to be at peace.

Psalms 91 says we should not fear. I break off any demons that make people jumpy, easily spiked in adrenaline and blood pressure. I pray that the spirits of fear and anxiety would be broken off them now. I pray your people would grow in the fruit of the Spirit of self-control concerning their mind and emotions.

Come out of their bodies, every spirit causing paranoia or nervous habits that show in the hands, face, legs or feet. We rebuke you. Come out of the eyes, mouth, nasal passages. Go out, even by sweating. Go out in the name of Jesus. We pray for more fire in the name of Jesus. Bone cancer, arthritis, come out in the name of Jesus Christ. Weakness of bones come out now. The fear of the Lord shall be health unto our bones.

Come out, demons that have trained people's minds to react with fear, to imagine bad outcomes, or to react with anger, stress or worry. Come out in the name of the Lord. Spirits affecting the mind, go to the pit! The Lord rebuke you.

We break all negative words from doctors or psychiatrists. We come out of agreement with those words. Come out, word curses of infirmity or mental illness. God's word says that if we keep our tongue from evil, we shall see long life and length of days. He has given us power, love and a sound mind. Jesus came that we might have life, and more abundantly. Abundant life, be loosed to all my brothers and sisters in Jesus's name.

Be burned up, all unclean spirits that defile the body. Keep coming out, all spirits of infirmity. We burn you out, we burn you out in the name of Jesus.
