

Deliverance from Insecurity, Failure & Inadequacy

We're going to pray against insecurity, lack of confidence, low self-esteem, feelings of inadequacy and mental problems.

Before we pray, is there's anything you would like to confess or repent of? If so, go ahead and do so now. Please repent of agreeing with feelings that you're not good enough, or that God doesn't love you.

God wants you to be confident in His word, His blood covenant, and His love. He wants you to be full of the joy of the Holy Spirit. He wants you to feel secure in His arms and protection and providence. If you have the opposite of that, that is not God's will. Just allow the Lord to deliver you as you listen to this prayer.

Heavenly Father, in Jesus's name, I thank You for my brothers and sisters. I pray for their deliverance right now. I bind every demonic spirit that is related to these issues. I bind insecurity. I bind lack of confidence.

Your word says in the book of Proverbs that in the fear of the Lord there is strong confidence. Father, please fill them with a strong confidence that comes from knowing Your Son. I come against all demons that give people thoughts and feelings of low self-esteem and inadequacy.

Every lie of the devil that you're not good enough, not good looking enough, not gifted enough, I break those lies off. I break off self-centered thoughts that have my brothers and sisters constantly looking at themselves. I thank You that Your word says that we are fearfully and wonderfully made. I thank You that we can fix our eyes upon Jesus, and get our confidence from Him.

I come against not feeling secure in your finances, in your weight or appearance, your ability to communicate, your relationships or marriage, or your ability to believe God's promises.

I come against all demons that cause a lack of trust in God. I command you wicked spirits to release the mind. Father, I thank you that this believer is authorized by Jesus to bind every demon that makes them feel bad, or says they are insufficient. I break doubt and unbelief and command it to go in the name of Jesus Christ.

Any insecurity that has come in through betrayal or failure, I break it in Jesus's name. I command fear and anxiety about failure to break off in Jesus's name. I pray, Lord, that they will be able to forget the things which are behind, and press onward to their high calling in Jesus Christ.

I bind all demons that came in from parental expectations. Perfectionism spirits, I cast you out right now. Every demon that urges people to quit because they have not performed perfectly, I command it to go. Father, your word says that all who call upon the name of the Lord shall be delivered. We fight against these demons with the sword of the spirit. The word of God says the weapons of our warfare are not carnal, but are mighty through God for the pulling down of strongholds. I pull down every stronghold right now.

Father, Your word says that we are safe and secure in your hands, and no one can pluck us out of them. Come out, all spirits that block their ministry. Demons that block them from fulfilling their calling, feeling inadequate to talk about Jesus, about the Bible, to evangelize, to cast out demons or heal the sick, I break those right now in the name of Jesus. Your word says that we can do all things through Christ who strengthen us.

Father, Your word says You have chosen the foolish things of this world to confound the wise. You have chosen the weak things of this world to confound the things which are mighty. I pray that they'd be able to draw strength from You. Your word says when we are weak, You are strong. In our weakness, Your strength is made perfect. I pray that they will rely on Your strength, Father.

We are not of those who put our confidence of the flesh but in the Spirit. We worship God in Spirit and in truth. May they be able to draw their confidence, their strength and

hope from the promises of God. Every demon that says the promises of God apply to everybody but them, I command that deception to be broken right now.

Father I pray that you'll be able to find the strength that comes from God. Father God, we thank you. We put no confidence in the flesh. We put no confidence in our own ability. We thank you, Father, that it is by your strength that we overcome in this life.
