

# Breakthrough Prayer – Deliverance from Many Forms of Oppression

I thank You Father for all my brothers and sisters. I ask that You bless them, and that they will be completely delivered.

Thank You that we can freely receive, as it is written in Your Word, and that Jesus was manifested to *destroy the works of the devil*.

It is written: *"Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you."*

We stomp on Satan's *entire kingdom*, and I ask that Your Holy Spirit fire would course through their body and break off every demonic stronghold. I pray that it would be loosed through their whole soul, mind, and body in the name of Jesus.

In the name of mighty Jesus, I come against all spirits of lust, rage, anger, bitterness, offense, perversion, self-hatred, and condemnation and I command all of them to leave these people.

I bind every *strongman* and all of them must go in the name of Jesus.

I command all spirits that came in through trauma, sexual sin and rejection, to come up and out in the name of Jesus.

All spirits of rejection and every spirt that is *hindering* people, you must leave right now in the name of Jesus. I burn you devils with fire; I give you no rest! I know that you hear my voice, I pierce you and I command you to flee!

I pray that Your angels would be loosed to pull these devils, to pull them loose from their souls, and to wage war against the enemy's kingdom in the name of Jesus.

I pray for anyone who is battling self-hatred, guilt or condemnation because of past sins committed. I ask that all of it would be broken off right now in the name of Jesus.

I ask that Your holy Spirit would be upon them in a mighty way and fill them from the top of their head to the soles of their feet.

I command every demonic spirit that *manipulates* the emotions to flee now in the name of Jesus. We rebuke you wicked devils and we burn you out. I thank You for Your Holy fire going through their bodies.

Anyone who is dealing with *drug addiction*, I pray that that curse would be broken off their life. I command all witchcraft spirits that came in through occultic practices to come up and out in the name of Jesus.

Lord, we ask for more fire, more fire in the chest area. Every demon that is trying to hide, I cancel your mission right now and I command you to flee in Jesus' name.

I come against every spirit of fear, anxiety, phobia, cowardice, and fear of *man* to exit in the mighty name of Jesus, and I thank You that it will be broken over their life. Your Word says that You have not given us a spirit of fear, but of power, love, and a sound mind.

Every discouraging spirit, every demon that says that "*you can never overcome*", and every demon that tries to tell you that the promises of God are not for you, I rebuke you and I command you to go in the name of Jesus.

Every spirit of *inadequacy* that tries to hinder them from receiving from God, you have to leave right now in the name of the Lord Jesus Christ.

I pray that Your fire would continue to course through their body and that Your holy Spirit would expand in their chest, mind, and stomach. I ask that Your Holy Spirit take *territory* in their soul.

I come against all snakes, serpents, cobras, leviathans and pythons that are hiding in their body and I command them to come out in Jesus name.

Come up out of the belly, out of the chest and through the mouth right now in the name of Jesus. We give you spirits no rest!

We pull the hooks loose on any spirits that are trying to hold on in the throat, the esophagus and the neck in the name of Jesus.

Every demon that is coming against peoples marriages, every spirit hindering people from finding the right spouse and leading them into ungodly relationships, leave them in the name of Jesus.

Every demon that hears the sound of my voice, I lock you in fire, I bind your hand and foot, flee right now in the name of Jesus.

Every *mockery spirit*, every demon that is telling people that it's not leaving, and that is causing people to doubt deliverance, I command you to go right now in Jesus mighty name.

I ask that Your angels would start pulling these devils loose from their minds.

Keep coming out spirits we command you to flee! Fire all over you in the name of Jesus!

All mind control spirits, all pharmakaia and antidepressants to be broken off and leave them now in the name of mighty Jesus.

We thank You that strongholds are being broken off. We thank You for Your victory and Your delivering power! Thank You that it says in Your Word that since you delivered up Your Son Jesus for us all, you shall also freely give us all things?

Any devils that are trying to hold on or hide in the soul, I rebuke you! Come up and out through the mouth right now! I pierce you in the name of Jesus.

Any demons that are still manifesting we command you to keep exiting in the name of Jesus. You cannot stay in there, so even as we finish this prayer you spirits must continue to come out.

You word says Father that if we confess our sins, You are *faithful* and *just* to forgive us and cleanse us from all unrighteousness. I therefore pray that cleansing would go through their souls right now.

Thank You for Your grace and amazing love. Fill them with the Holy Spirit, fill them with Your agape love, peace and a sound mind.
