

Deliverance from witchcraft and blessing blockers

If you or your ancestors were involved in witchcraft it can bring demons that will try to cause blockages, stop blessings, and cause misfortune.

There have been many people, who, after coming out of new age are trying to find a job but are not able to. All their blessings are being blocked, so that's what this prayer is for. That God would open those doors for you to be able to receive the blessings He has for you.

If you are going through these attacks, do not think that God doesn't want to bless you, or that He doesn't have blessings for you. The enemy is just attempting to cause blockages.

We know that in the Old Testament there was the principality of Persia who withstood and prolonged the angel from coming to Daniel.

Before listening to this prayer, ensure that you repent of any sins or actions you need to renounce, whether they occurred before your salvation or were committed by your ancestors. It's good to verbally renounce as the Lord may bring certain things to mind.

I come against every witchcraft spirit that came down the bloodline or that came in through witchcraft, occult, new age, or freemasonry before salvation, and I command it to come out in the name of Jesus Christ.

Every demonic spirit that is causing misfortune, that is causing blockage of blessings, that is causing me to have a lack of favor with employment, lack of favor with making friendships, and with making good financial decisions, I come against you, and I drive you out in Jesus' name.

I bind you devils up, I bind every strong man, I bind the generational strong man, any demonic spirits that are sitting over my life and causing a dark cloud of heaviness, a dark cloud around me, I break that off right now in the name of Jesus.

I thank You Lord that in Christ Jesus I am blessed. I will prosper, and I will conquer every demonic spirit.

Come up and out demons, however you have to leave this vessel, I command you to go wherever Jesus sends you, out of my body gates right now in Jesus' name!

Lord, let Your anointing and fire fall and burn these demons up in Jesus Christ's name.

Let all the encampments and strongholds of the enemy that is invading my soul be burned up and incinerate in the name of Jesus.

Father, Your Word says in the book of Luke that You have given us power to step on snakes and scorpions, and nothing shall by any means harm us.

The Bible says that if God is for us who can be against us? Therefore, no angel, no demon and no principality can stop me. The Bible declares that nothing can separate us from the love of God which is in Christ Jesus.

Every demonic spirit must leave! Come out of the mouth, pull loose and release my body in Jesus' name.

Jesus conquered and defeated every single one of you. Be evicted devils, GO and come out in the name of Jesus.

The bible says to resist the devil and he will flee. Therefore, I command you spirits to flee in Jesus' name. I know you are being pierced by the wrath of God.

I believe on the things that are unseen, and not the things that are seen.

I know that there is a great power working in me that I cannot comprehend. I believe by faith that your mighty working power O Lord is bringing life transformation.

Every demonic spirit that has come to discourage and wear me out by continual failure, continual setbacks, I drive you out in Jesus' name.

Demons that cause setbacks and hindering me from receiving the things that I need to receive, flee in the name of Jesus.

In the mighty name of Jesus, I break off every witchcraft spirit that is working behind the scenes to cause delays and fractures in relationships and connections.

I thank You that I am called *blessed*. Your Word says that in Jesus Christ all the promises of God are yes and amen, to the glory of God through us. Let me be able to lay hold of Your promises, that I will access the fullness of the blessings that You have for me, the fullness of my inheritance in this life.

Thank you for the inheritance. Thank You that You will supply all our needs in Christ Jesus. Your Word says that Jesus became poor so that we might become rich. Not necessarily monetarily rich, *but rich in God*. Thank You that we are rich in You, and that we have all our needs met.

Therefore, witchcraft cannot intimidate me in the mind. You can no longer say that God will not come through, and I break that lie in Jesus' name.

God will come through, despite what you demons do. If I hold on by faith, if I lay hold on the promises of God, no matter how much delay you try to do, you spirits cannot and will not stop what God is doing.

Fill me, Father, with strength, encouragement, and confidence to trust that You will come through regardless of what the enemy is doing.

I know that Your plans will come to pass, and it does not matter what they do.

Let me not be hyper focused on witchcraft, on what witches are doing or how the enemy is attacking, but that I will fix my eyes upon Jesus, who is the author and the finisher of our faith.

Set me completely free from every demon that was called out and let me walk in the Joy of the Lord. Your Word says that in Your presence there is fullness of joy.

Fill me with joy, peace, love, and the fruit of the Spirit.

In Jesus name I pray, Amen.
