God's Will to Heal

Keith Moore

GOD SAID SO!

How do we know whether it's God's will to heal us or not? It makes little difference what others say about it. What did He say about it?

Remember that God is no respecter of persons (Acts 10: 34) and He never changes (Mal. 3:6). So what He said to them yesterday, He is saying to you today. God's word is God speaking to me.

(These statements are taken directly from the Bible with little or no variation. The verbs and construction have been changed to apply to you personally and to sum up the thoughts in some instances. Also, many of these statements are prefaced by phrases like, "If you walk in My commandments", "If you believe…obey…" etc.)

What did God say?
