

Deliverance from Kundalini and New Age

Today I am going calling upon the name of Jesus and praying against demons that came in through new age, kundalini practices, meditation or yoga. I'm going to be praying against every kind of new age practice, occult practice, and witchcraft. If you were ever involved in any of those, it's time to renounce them. If you confess those sins to Jesus and ask Him to forgive you, He will. Please take some time to do that now.

New age practices have their origins in eastern religion. Yoga, new age, meditation, astrology...all that stuff is not from God. I have prayed for people that have been in yoga or been doing these practices, and they had intense demons come out. These kinds of practices really do open you up to demons.

Maybe you struggle with confusion. Or, new age demons sometimes put a weird kind of false heat energy into your body or cause a variety of things. I'm not going to go over the details, but if you are suffering, if you are being tormented and you came out of doing these kinds of practices, I'm going to be praying for you today in the name of Jesus.

We're going to be praying against demons that came in through new age practices or even demons that led you astray into the new age. I know many people suffer with rejection, deception, religious spirits or deceiving spirits that led them into new age.

I'll just lead you through a prayer to renounce these spirits. You don't have to pray at all, just agree with this prayer. Father God, I come before you in Jesus's name. I ask you, Lord, to forgive me of all new age practices. I renounce every demon that came in through new age practices in Jesus's name.

Did you know that the Lord is also attracted to different places and people? The Word of God says, 'For the eyes of the Lord roam to and fro over all the earth, to show Himself strong on behalf of those whose hearts are fully devoted to Him.' If what you do and say, if what you listen to and watch are wholesome and honoring to God, He will show Himself strong on your behalf. Deliverance Revolution Ministries has resources and discipleship training to help you along those lines.

You can rewatch this video multiple times to continue receiving deliverance. I would love to hear about your deliverance in the comment section.
