

Deliverance from Generational Demons & Curses

I thank you Lord, for my brothers and sisters today, and for this opportunity to pray for them today. I'm going to be praying against demons that came down the bloodline. I'm going to be praying breaking generational curses in the name of Jesus. After the curses are broken, we will be casting out the demons that came in through those generational curses.

Before we begin, we will be removing the devil's legal rights through renouncing and repenting of our sins. Please repeat this after me, and then I will pray for you. Just say, *"Father, I come before you in Jesus's name. I ask you, Lord, to deliver me. I repent of all my sins, known and unknown. I renounce all generational curses. I renounce every curse of death. I renounce every curse of divorce. I renounce every curse of suicide.*

I renounce every curse of adultery and any other curses. Lord, I renounce them in the name of Jesus Christ. I renounce all spirits that came down the bloodline. Every demonic spirit inherited from my dad's or mom's side, I pray they be broken today. I pray, Lord, that my family tree be cleansed by the blood of Jesus. I thank you, Father God. Amen."

Now you can simply receive this prayer. You don't have to pray at all while I'm praying.

To walk in freedom, a person must lay aside any sin. They should also learn how to pray for themselves. You can find many written prayers on the Deliverance Revolution.org website. You can join a deliverance session with us on Zoom. Please also read your

bible, which is how you get to know God, and how He renews your mind. Please worship the Lord, who loves you. Keep going. God has good plans for your life.
