

Deliverance from Drug Use, Pharmakeia, Alcohol and Nicotine

Today I'm going to be praying for your deliverance from drugs and alcohol. I'm not talking just to people that do heroin and meth. I'm talking about psych meds, alcohol and nicotine. I'm also be praying those who are trying to overcome demons that came in through drug use.

So, even if you're not currently using drugs or drinking, demons can still be there from past sins past usage. If you know anyone who struggling with this, that's trying to get off them for the Lord, feel free to send them this video so they can receive deliverance.

If you are going to watch this video, you need to put faith towards God to overcome the sin. You should verbally put on God's armor each day for protection. In Ephesians 6, God gives us the helmet of salvation, the breastplate of righteousness, the belt of truth, and the boots of peace. He has given us His sword of the word and His shield of faith.

You will need to fight tempting thoughts throughout the day. Recognize them for what they are...arrows from the enemy. Take them captive to the obedience of Christ. If you want to truly overcome, these videos will help. Your part is seeking God and beginning to resist the devil and his temptation yourself.

Deliverance Revolution Ministries helps people get free and get close to the Lord. There are prayers and videos on the website. We have group deliverance throughout the week on Zoom. If you'd like to contact us, go to DeliveranceRevolution.org and click the "Contact Us" form. Submit it, and Pastor Nate will get in touch with you.

Before we begin, if there's any sin you want to tell God about, anything that comes to mind, you can confess them now. He already knows about them. Confessing is just admitting the truth and telling Him you are sorry. If we confess our sins, God is faithful and just to forgive our sins and cleanse us from all unrighteousness.

Before we start praying, make sure you're in a comfortable place so you won't be distracted or interrupted. I'm going to start praying for you in the name of Jesus Christ. Father, I thank you for my brothers and sisters and I pray for their deliverance right now

I come against every spirit of pharmakeia, sorcery and witchcraft. I come against bondages from past generations. I come against every addiction spirit and command them to go. All alcoholism from the bloodline, go in the name of Jesus.

Every spirit that's on a mission to make them feel stressed out, lonely or anxious when they abstain, I command it to go in the name of Jesus. If there's any drugs still in their system, may it be burnt out right now.

I pray that Jesus would take away the pull towards drugs, as well as all withdrawal symptoms. We bind them in the name of Jesus. Many times, when you're going through withdrawal, you're fighting demons. I come against those demons right now.

Every demon that tells them they won't be able to cope without drugs, we curse it. Every spirit of fear, we break it. Every demon that says they'll won't be able to kick the habit, come out. Jesus loves you and He is able to set you free.

Fear of having a dull life without drugs, nicotine or alcohol, we break that off right now in the name of Jesus. Every demon that is sending other people their way to offer them drugs, cigarettes or alcohol, we command those spirits to go.

I cast out every spirit that tells people they can smoke just one cigarette or a little weed, or have just one drink. I break that in the mighty name of Jesus. Every demon that gives excuses to go back to drug use, we break it off. Thank you Lord, that you provide an escape route away from every temptation, including the ability to outwait them.

Father, I come against mental illness demons now. What the world calls mental illnesses are really demons. I come against those in the name of Jesus. I come against schizophrenia, depression, and bipolar disorder. I come against anxiety and mental issues. I rebuke mental illness demons off them right now in the name of Jesus.

Any word curses of mental illness that were spoken to them by family, doctors, drug users or drug dealers, we break those curses. We break all word curses that have been spoken over them. We break curses like failure, addiction, and poverty. We break those off right now in the name of Jesus. Come out, wicked spirits.

Come out of their blood in Jesus's name. Any demon that gives them dreams of food, drugs, smoking and drinking, I break those night demons off right now in the name of Jesus. I command you wicked spirits to flee. In the mighty name of Jesus Christ, we command evil spirits to burn up right now. Come up and out of them.

Burn up right now, spirits. Burn up right now. Lord, send more fire. Hotter, hotter, hotter fire in Jesus's name. Fire in Jesus's mighty name. Come up and out of their throat. their eyes, their nose and their mouth. Come out wherever you have to. Go, devils.

We loose the judgment of God on every demon telling them lies, like they'll never get free or overcome these issues. The word of God says we are more than conquerors through Christ who strengthens us. Father God, may their faith be built up. Every spirit of inadequacy, inferiority and accusation, I break it off them right now.

Every accusing spirit, come out of their mind right now. All mind control spirits that came in through Pharmakeia, we break them right now. We break them right now in the name of Jesus. Come out of their blood, come out of their head. Release your grip in the name of Jesus. I command you demons to face the judgment of God. Drink the bowl of God's wrath. Come up and out in the name of Jesus. Come out by coughing, yawning, burping, sneezing, vomiting, spitting up. By whatever means, get out of Jesus's mighty name.

Come all the way out, all the way up, go, go, go. Come out spirits, right now. We command you to flee in the name of Jesus. We curse the spirits that drive people to deal with pain or depression by burying it under drinking and drugs. We pray, Lord, that you would heal any underlying issues, so that they can walk in freedom.

Come out, you demons, in the mighty name of Jesus. I burn you devils up right now. They come out of agreement with drinking, drugs and nicotine. They've repented. They're sorry for their sins, Lord. You devils have to go right now. Lift off them, lift off them, lift off them right now.

All heaviness, withdrawal or oppression that comes on their body or mind when they're not using, I command it out right now in the name of Jesus. Come out, spirits. In Jesus' name, I break the attraction to the taste of nicotine, alcohol and marijuana.

I expose all lies about drugs, alcohol and nicotine, like they can solve problems, cure anxiety, remove loneliness, make life better, and that there is no downside. I break those lies in the name of Jesus. Come out, devils. Come out in Jesus's name.

All witchcraft that came from their own or ancestral Freemasonry, Eastern Star, occultic practices or new age practices, I break it right now in the name of Jesus. Every street gang spirit, hood-mentality spirit, we break them off right now in the name of Jesus. That is not their identity in Christ. Go, you wicked spirits. Leave right now.

Being afraid to let go of the culture of drug use, I curse you. I break the culture of drunkards of alcoholics. I break it right now. The word of God says that drunkards will not inherit the kingdom of God. The word of God says that those who do sorcery, witchcraft or drugs will not inherit the kingdom of God.

Father, may they be filled with the fear of the Lord and the love of the Lord. May they grow to hate sin with a holy hatred. Jesus, I know you want them to overcome this, and

You shed blood for them. I pray that every spirit of bondage now be broken in Jesus's name. Your word says that Jesus came to preach deliverance to the captives.

I call Holy Ghost fire throughout their body right now. Burn up, spirits. Father, I pray that these brothers and sisters would feel Your fire. I pray that a fiery furnace would be loosed in their chest to burn up every stronghold in Jesus's mighty name. Come out, devils of addiction to chewing tobacco, cigarettes and e-cigarettes, in Jesus's name.

Every demon in the hands that wants them to pick up cigarettes and drugs, come out. Every demon that wants to them reach towards those things, we break them. We break them, we break them right now in the name of Jesus. Every spirit of slavery, go.

Keep coming out, keep coming out. All spirits that used drugs to change the way their mind works, come out. Go in the name of Jesus. Demons that give them thoughts about using drugs, I break those in the name of Jesus. Come all the way up and out. Come all the way up and out. Come out, come out, come out. Loose them.

Escapism from problems through drug use, nicotine and alcohol...go right now in Jesus's mighty name. Go right now in Jesus's name. Every spirit of loneliness, come out in the name of Jesus Christ.

Demons that try to yoke Christians together with unbelievers, I break it off right now in the name of Jesus. Loose them, loose them in the name of Jesus Christ. Loose them. Father, I pray that they would have lightness and peace right now in the name of Jesus.

Father, may they be filled with the peace that surpasses all understanding. Lord, may their body and soul be at peace in Jesus's name. I pray, Father, that they would no longer reach for drugs, alcohol or nicotine. I pray they would instead seek the communion table to eat Jesus's body and drink His blood.

I pray that they be filled with the Holy Spirit. Jesus, please fill them with the Holy Spirit. I pray that out of their belly would flow rivers of living water. We come against any demons that are still manifesting. Any spirit that is trying to hold on or linger in them, come out now. Come out in the name of Jesus.

Any strongman trying to stop its underlings from leaving, come out in the name of Jesus. I call down Holy Ghost fire against you. We burn you up, Satan. You have to leave in the name of Jesus.

The bible says that Jesus Christ has been given all power and authority in heaven and earth. We trample on and these snakes and scorpions now. Father, Your word says that You give us power to overcome all of the power of the enemy. We thank you, Father.

Every spirit of guilt and shame, we break it. Every demon that accuses people with feelings of guilt to drive them to drug use, we break it in the name of Jesus.

Being afraid to face people that you've ripped off or hurt, let it be broken off. Father, may they be reconciled to people. Let them be able to ask for forgiveness. May they no longer run and hide, or live in a fantasyland through drugs. Father God, I pray that they would be able to face life with Your help.

Father God, I thank you that if they are born again, You have made them kings and priests, and they will rule and reign with Jesus Christ. We thank you, Father that they are more than conquerors through Christ, who strengthens them. May they begin to run their race with endurance. Strengthen them with might in their inner man through Christ.

We give You praise and we give You thanks, Father God. May they be set free completely from all drugs, alcohol and nicotine. Thank You that the word says, "Whom the Son sets free is free indeed." In Jesus's name, we pray. Amen.

I want to encourage you to walk in holiness. Begin to defend your mind by taking thoughts and feelings captive to the obedience of Christ Jesus. God gives you the grace to outlast temptation until it fades. God has set you free so you can serve and love Him. You can behold the face of Jesus and love Him.

I hope that you were blessed through this prayer. You can rewatch these prayers over and over, put them on loop, play them while you sleep. God bless you.
