

# Deliverance from Retaliation Demons & Night Attacks

Father in Jesus' name, I thank you for the brother or sister who is listening to this prayer. I thank you, God, that they can receive deliverance, they can receive a touch from you, they can be filled with the Holy Spirit, somehow, Father God, as they listen to this prayer, wherever they're at, Father God, in their house or wherever they are, Heavenly Father, I just pray and thank you, Father, for meeting them where they're at.

I thank you, Father, that your word says, "we will reap what we sow." Father, in the name of Jesus, I thank you for those who have been sowing to righteousness, who have been resisting the devil. And I pray in the name of Jesus, Father, that this person who's listening to this video would be set free today in a powerful way, Father, that they would be set free from the demons that are angry with them for stepping out in faith, for the breakthrough, for the demonic attack that is troubling them after they've reached breakthrough, after they've reached a new height in their spiritual walk, in their spiritual maturity, Father God.

These generational spirits, these familiar spirits that are withstanding the people of God from excelling to where they need to be, I pray in the name of Jesus that it would be broken off today. I bind in Jesus' name every familiar spirit that has come to try to torment them after breakthrough, after progress in sanctification. In the name of Jesus, you wicked spirits, every demonic familiar spirit, I command it to go.

Father God, wherever demonic seeds have been implanted in their dreams, demonic seeds of fear, of lust, perversion, poverty, greed, covetousness, doubt, unbelief, whatever it is, Father, witchcraft, bitterness, doubt, we pray that it be uprooted in the name of Jesus Christ right now.

Wherever you spirits have put seeds in their heart to try to get them to backtrack, to try to get them to go backwards, we sever this now in the name of the Lord Jesus Christ. I cancel the mission of every familiar spirit that has come to return in their lives in the name of Jesus. Every familiar spirit, come out now. Every familiar spirit trying to attach itself to their dreams, every demon trying to put them in covenant, in a demonic covenant in their dreams with their former ways, with past sins, we break it off in the name of Jesus Christ right now. Father, your word said, "it is the anointing that breaks the yoke." I pray, God, that the anointing of your Holy Spirit, Father God, would break the yoke of the enemy in the name of Jesus.

All that doubt, that unbelief, we command it up and out in Jesus' name. Doubt and unbelief that has come to attack the mind, that has come to shoot fiery darts in the mind after they've progressed forward in their Christian walk, we command it out. Every demon that makes people doubt if they're healed, every demon that makes people doubt if they're delivered, every demon that makes people doubt if they're forgiven when they've repented, every demon that makes people doubt the miracle-working, the almighty powerful working of God on their behalf, we break the deception of unbelief and doubt in the name of Jesus Christ.

You wicked generational spirits that are specifically on a mission to keep them down in the pit, to keep them just barely surviving, barely holding on, and not progressing to the fullness of what God has called them to, we break that off as well in the name of the Lord Jesus Christ. Every evil spirit, come out now in the name of Jesus Christ. Come out, you wicked spirits in the name of the Lord Jesus.

Every demonic spirit that uses friends, family members, coworkers to really reel people back in, to reel people back into worldly thinking, carnal thinking, I command you demons to come out in the name of Jesus Christ right now. I command you demons to come out, expelling out of the mouth, the eyes, the ears, the head, the back, however you spirits must go, release the people of God and come out in the name of Jesus right now. Release the people of God and come out in the name of Jesus Christ right now.

Come out, you wicked spirits in the name of the Lord Jesus. Every demonic spirit that tries to reel people back into their comfort zone, living comfortably, we break it off in the name of Jesus Christ right now. Come out, you wicked spirits. Retaliation in the form of witchcraft attacks, we break that off in the name of Jesus right now. Retaliation in the form of fiery darts, witchcraft, unbelief, sexual dreams, diverse demonic dreams, we command it out in the name of Jesus Christ right now.

Come out, you wicked spirits in the mighty name of Jesus. Go, go, go and expel out of the people of God in the name of Jesus. We loose fire and burning destruction unto every unclean spirit in the name of Jesus. Demonic spirits that make people doubt trusting in the long-term effect of standing in faith, the long-term net positive, reaping the net positive experience of long-term standing by faith, we command you demonic spirits that convince people out of faith, that convince people out of believing in God in a childlike way, we command you demons to go in the name of Jesus Christ.

Every demonic spirit that convinces people to never take a risk in their faith, to never step out in faith in a radical way that may seem crazy to the world, the word of God says that "we are fools for the sake of Jesus Christ, that in comparison to the world's eyes we look foolish for the sake of God, yet we have the wisdom of God." Yeah, we are as wise as a serpent and as innocent as a dove. In the name of Jesus Christ, every evil spirit that

has been called out today, you've been exposed, so come out now in the name of the Lord Jesus. Come out, you wicked spirits.

Every evil spirit, go to the abyss in the name of Jesus Christ. Familiar spirits, monitoring spirits, go. Demons that try to cause strife, demons that try to cause argumentation, demons that try to cause pride, bitterness, haughtiness, arrogance, Leviathan, I command you demonic spirits that come to foil the plans of the saints, that come to cause chaos and havoc when they've purposed in their heart to do something, you demonic spirits that sow tears in the night hour while men are sleeping, the enemy that comes to sow tears among the wheat, we command it to be uprooted in the name of Jesus Christ right now.

You demonic spirits that work in the night hour, work in secret, work in sabotaging way, come out in the name of Jesus right now. Demons that are responsible for causing unnecessary hardship, demons that are responsible for causing issues with situational circumstances, drawing stressful circumstances to a situation, we command it out in the name of Jesus Christ right now. Come out, you wicked evil spirits, demonic spirits that use offense and bitterness as a form of backlash, to make people offended, to discourage them, to not believe for God's word anymore, to not believe in what God is doing and what God has spoken over their lives, we break this in the name of Jesus Christ right now. Come out, you wicked spirits in the name of Jesus Christ.

Discouragement, depression, heaviness spirits, come out in the name of Jesus Christ right now. Come out, you wicked spirits in the name of Jesus Christ. I know you spirits are tormented. I know you demons hate this prayer. Any demons that are stubborn that are saying, 'I'm not budging,' leave in the name of Jesus Christ. The word of God said Jesus Christ has been given all authority under Heaven and Earth. Every unclean spirit that has been ordained to manifest and go; it must go in the name of Jesus Christ right now.

Come out, you wicked spirits. Come out, thorns in the flesh, go in the name of Jesus right now. You demonic spirits, come out in the name of Jesus. Retaliation, backlash missions of the enemy, I cancel them in the name of the Lord Jesus. You spirits that try to lead people astray, make them wander into deception, make them wander off the path of righteousness, make them wander into foolish thinking because of their situational circumstances, I break it in the name of Jesus Christ right now.

Come out, you wicked deceiving spirits in the name of Jesus. Every evil spirit, come out. Come out, come out in the name of Jesus. You wicked unclean spirits, go in the name of the Lord Jesus right now. Every evil spirit must flee in the mighty name of Jesus. Demons that bind people to block them from stepping out in faith, to block them from fasting, you demons that strategically plot against their plans to do something radical

for God, every demon that orchestrates situational warfare on a high level, strategic way, we foil the plan, we scatter the plans of the enemy in the name of Jesus Christ. The enemy that tries to cause chaos, stressful situations, strife to arise to stop the plans of the saints that are of God, we command it to go.

Come out, you wicked evil spirits, go in the name of Jesus. Go where the Lord Jesus Christ is making you spirits go. Go, thank you, Father God, that the plans of God will prosper in their lives, the plans of the enemy will fail in their lives. Thank you, Father God, that the Holy Spirit is with them right now. Come out, you wicked spirits in the name of the Lord Jesus Christ. Go, you spirit, go. Go, go, go. go, go, go in the name of Jesus.

Go, come out, come out, come out, you wicked evil spirits. Go, go in the name of Jesus. Go where the Lord Jesus Christ is making you spirits go. Thank you, Father God, that the plans of God will prosper in their lives. Father, that they don't have to be discouraged in the name of Jesus Christ. The word of God said, "the one who believes in Christ will never be put to shame." The word of God says, "that we may enter into six troubles, yea even seven, but the Lord delivers from all of them." Thank you, Father God, in the name of Jesus, that in patience and faith and a good heart, no backlash will prosper.

No weapon formed against us will prosper, Father. Your word says the steps of a good man are ordained by the Lord, Father God. We thank you in the name of Jesus that even though every man has plans in his own heart, that you, Father God, direct the steps of the righteous. Thank you, Lord God, help them to walk by faith and not by sight in the name of Jesus. Father, that flesh, self, and the devil would not get in the way in the name of Jesus Christ. Thank you, Heavenly Father.

Father, your word says, "your ways are not our ways, your thoughts are not our thoughts," Father God. Help us all, Father, to submit to you in the name of Jesus, to not lean on our own understanding but to acknowledge you in all our ways. Any evil spirits that are still manifesting, go to the abyss. I said, go to the abyss, all of it out in the name of Jesus. Expel out of the respiratory system, expel out of the body in the holy name of Jesus Christ.

Thank you, Father God, that many and all who possess faith in Christ, I believe, are receiving breakthrough in the name of Jesus Christ. Thank you, Father God. Father, help them to be in alignment with your will in Jesus name. Amen.
