

# Deliverance from Slumber and Tiredness

Today I'm going to be praying for your deliverance from the spirit of slumber and tiredness. They try to make people feel fatigued, worn out and lacking zeal. I can't tell you how many people I've talked to that say they get tired and fall asleep when they read their Bible. This is one way the enemy tries to attack the saints of God.

Tiredness is definitely something demons can cause. Having a spiritual spouse can cause you to feel tired, unmotivated or discouraged. Many times discouragement is associated with demons that I like to call energy vampires.

Before I begin, let's take a moment to examine ourselves to see if there are any sins we haven't confessed. If we confess our sins, God will forgive us. He will cleanse our consciences from dead works to serve the Living God. If there's anything you need to repent of, ask Him to forgive you right now.

Father, I thank you for my brothers and sisters. I pray for their deliverance right now in the mighty name of Jesus. Father, I pray that your Holy Spirit would fall upon them and minister to them in the name of Jesus. Father, we pray for a complete restoration of their energy levels, their motivation, their zeal, and their relationship with You.

Jesus, your word says, "come unto me, all you who are burdened and heavy laden, and I will give you rest." I pray they'd be able to receive true rest from You. Every demonic spirit that tries to lay heaviness on them, drain their energy, bring fatigue, come out now. Demonic spirits that hinder sleep, we break them in the name of the Lord Jesus Christ.

Father, your word says in Psalms that you give your beloved sleep. In the name of Jesus Christ, I pray that they'd be able to sleep according to the schedule that You have for them. Every 'night owl' spirit that makes them not want to go to bed, come out.

Every demon that makes people not want to face tomorrow, come out. 'Night owl' spirits that get people to stay up late doing sinful things or non-urgent things, we break those off in the name of the Lord Jesus Christ.

Every demonic spirit of sleepiness that attacks at work, I command it out right now in the mighty name of Jesus. Father, we pray the Holy Spirit would send fire right now from the top of the head to the soles of the feet. I pray that every spirit of slumber that hears the sound of my voice would be uprooted in the name of the Jesus.

I pray fire against you devils. We command you to be uprooted right now. I pray that these demons would face the wrath of God. I pray, Father, that you would fill my brothers and sisters with the Holy Spirit. Renew their energy and zeal. Father God, Your word says about Jesus that 'zeal has eaten Him up.' I pray that zeal for the kingdom of

God would eat up my brothers and sisters. I pray that they would be filled with divine motivation and passion for Your kingdom.

Father, we thank You that these demonic spirits have to go right now. You demons have to flee. We command you to come out through yawning, burping, coughing, growling, sneezing, any way at all in the name of Jesus Christ.

Father, I pray that these demonic spirits would be uprooted by the blood of Jesus. Every demonic spirit that causes people to oversleep often or to want to lay in bed for hours after they wake up, we break that bondage in the name of the Lord Jesus Christ.

Every demonic spirit that makes them dread life's responsibilities or getting out of bed, we break it. Any unhealthy attachment to their bed, we break it now. Any demonic spirits that have spiritually bound them to their bed, let those ties or chains be broken now.

I pray that they would wake up energized and refreshed. Every demon that causes them to feel drained in the morning, be broken now in the name of Jesus.

Any evil deposit from spirits that bogs them down with spiritual weight, we remove it. Father, Your word says to lay aside every weight and the sin that so easily besets us. In the name of Jesus, I command every weight to lift off. Spirit of heaviness, lift off them in the name of Jesus right now.

We command you demons to go to the abyss in the name of Jesus. Be uprooted right now. Go, go, go evil spirits in Jesus's name. We command you to flee. Father, we thank that Your word says if we submit to God and resist the devil, the devil will flee.

I come against all spirits of depression and discouragement. I cast them out now. Spirits that try to discourage people when they feel tired, we command it to go. Demonic spirits of murmuring and complaining, we command them to go.

Every demonic spirit that causes people to almost fall asleep on the job, while driving, reading or praying, be cast out now in the name of Jesus.

Father God, we thank you. We command you demons to come up out of their chest and throat right now. I pray that they would be arrested by your angels, who will use threefold cords to pull them out. We command you wicked spirits to come out in Jesus's name. Go to the abyss, demons. We command you to flee in Jesus's name.

Father, please fill them with zeal, motivation and determination. Come out, spirits. We command you to go in the name of the Jesus. Come up and out, spirits. We command you to flee right now.

Every spirit that urges them to go to bed when they still have some important tasks, we command it to leave in the name of Jesus. Your word says, if you have it within you to do good today, don't put it off till tomorrow. I command the spirit of procrastination to come out in the name of Jesus.

We command you demons to come up and out of the mouth, out of the eyes, out of the nose. Come out as they breathe in the name of Jesus Christ. We curse you wicked spirits in the name of Jesus, which is the name above all names.

Jesus Christ has been given all authority in heaven and earth. It's by the authority of Jesus that we command you demons to flee. You demons have to go in the mighty name of Jesus. Your word says that You will deliver us from every evil work and preserve us for Your heavenly kingdom in the name of Jesus.

Thank you for the promise in Isaiah that we shall be far from oppression, and we shall not fear. Spirits of oppression and fear, come out in the name of Jesus Christ. Come out, fear of falling asleep and fear of demons. We break it in the name of the Jesus.

Every demonic spirit that makes people think they need 10 to 12 hours of sleep, we break it in the name of Jesus. We pray that they would have a normal wake/sleep cycles in the name of Jesus. I declare that they have victory and power over the works of the enemy through the cross and the blood of Jesus.

Father, I pray that they be able to enter into the deep stages of sleep. I pray their body, mind and soul would feel restored and refreshed when they awake. I pray they would feel your Holy Spirit first thing in the morning, and they connect with You. Thank you for strengthening their inner man and physical man.

Every spirit of forgetfulness or confusion, every octopus spirit, I command them to come off their minds right now in the name of Jesus. I break you wicked spirits. I command them to go to the pit right now. Laziness, come out in the name of Jesus.

Father, any persistent need to take naps, we break it in the name of Jesus. Every demonic spirit that drains their energy, I command its fangs be pulled loose from their blood and from their body in Jesus's mighty name.

Every demon that is stealing their energy, release them. Any energy-stealing spirit that's trying to gain sustenance from them, I expose that evil work and end it now in the name of Jesus Christ. Any gluttony spirits, I command them out now in the name of Jesus.

Every demonic spirit that causes tiredness while reading the bible, praying or fasting, we break it right now in the name of Jesus. I command you wicked spirits to come out right now in Jesus's name. Go, demons. Go where Jesus is sending you. Look at the Son of God and go where He's sending you. I command you to flee in Jesus's name.

I pray that the demons would attack each other now. We scatter the plans of the enemy in the name of Jesus. We loose burning destruction upon the head of every demon. We loose fire and burning destruction upon these spirits. Destruction, be loosed now on the kingdom of darkness in the name of the Jesus. Come up and out spirits, right now.

Every spirit of laziness, avoiding work, problems at work, come out. I pray that they would be able to work according to Your mighty power. I pray they would not work as unto men, but heartily as unto the Lord. Thank You, Lord, for telling us in Colossians word that we can offer our mundane labors as a heavenly gift to the Lord.

Every demonic spirit that's coming against their employment, we command it to go. Discouraging spirits, come out now. Spirit of heaviness, come out in the name of Jesus. Lord, Your word says You give us the garment of praise for the spirit of heaviness. Thank you, Jesus, for the garment of praise. Please give us a new song.

Come up and out, every spirit that brings headaches, pressure and tension in the head when they wake up. All demons that cause infirmity, pressure or tightness in the body or head when they awake, I pray that be broken in the name of the Jesus.

We pray in the name of Jesus that selfish desires be uprooted from their heart in the name of Jesus. Come all the way out right now. Lord, please rekindle your purposes and desires in them.

Every demon that hears the sound of my voice, we loose perpetual fire until you burn up and leave in Jesus Christ's mighty name. Father God, we thank you in the name of Jesus. In the name of Jesus, I pray that they'd be able to get a healthy amount of sleep.

Father God, we thank you for burning these demons up. We command you wicked spirits to go. Demons, we're not asking, we're commanding you out in the name of Jesus by faith. We command you out right now. Any demonic spirit stuck in the throat, the chest, the stomach, come up and out right now in Jesus's name.

You demons have been permanently defeated. The word of God says that Jesus Christ triumphed over principalities and powers on the cross, making an open show of them.

We thank you, Father. We ask in faith that they would be able to receive the riches of their inheritance in Jesus. Father, may they be refreshed in their inner man. Your word says that there remains a sabbath rest for the people of God. I ask that they would enter into the rest and peace of the Holy Spirit.

I pray that they would become spiritually sharp, awake, sober and vigilant. Your word says the devil goes around like a roaring lion, seeking whom he may devour. We break any demonic assignment of getting them to slack off. I pray they would be vigilant and alert, binding and taking authority over the enemy when demonic attacks come.

We thank you, Father God, and we pray all these things in the name of the Lord Jesus Christ. God bless you, and amen.
