

Deliverance from The Spirit of Infirmity

Today, I'm going to be praying for your healing and deliverance from the spirit of infirmity.

Many of the healings that Jesus performed included deliverance. In many instances, Jesus cast out demons before healing people. Demons can cause a variety of health problems, and while not every health issue is demonic, many are. Often, when doctors can't find a physical cause for an illness, it's a spiritual problem.

So, I'll be praying for a range of health issues today. Whatever health problem you may have, you can receive deliverance and healing in the name of Jesus Christ, right now.

Father, in the name of Jesus, I thank You for my brothers and sisters. I pray that the listener of this video would receive healing in Jesus' name. I pray for a wave of healing to come over them. Any demonic spirits causing infirmity or that might cause infirmity in the future, I pray they be driven out today in the name of the Lord Jesus Christ.

Your Word says in Romans that, "your Holy Spirit will quicken our mortal bodies." Fill my brothers and sisters with your Holy Spirit that they might be healed and delivered in Jesus' name. Any infirmity spirits that came in through unforgiveness, abortion, poor diet, or death in the family, I pray they be driven out in Jesus' name.

I speak to the bones and muscles right now, may they be made whole in Jesus name. For the digestive system and stomach bacteria, healing is taking place right now. For any disability in the mind, and deliverance from spirits causing mental afflictions in the name of Jesus, you must come out now.

I pray against diabetes and any unclean spirit affecting their cardiovascular health, may healing occur and every spirit of diabetes and cancer be driven out. Self-destruction and self-hatred come out in Jesus name. Word curses spoken by doctors or family members that bring illness and disease come out in the mighty name of Jesus Christ.

I pray they be broken right now. Muscle pain, eye pain, inflammation, autoimmune diseases, and respiratory illness, may healing come now. Tinnitus, restlessness, anxiety, memory issues, and neural problems, I pray for deliverance and full restoration. Flu-like symptoms, skin problems, arthritis, mobility issues, ureaplasma infections, and fear of death, may healing and deliverance take place now. Come out spirit of infirmity in the name of Jesus Christ.

May healing be administered right now to my brothers and sisters in the mighty name of Jesus Christ. Your Word says, "that all things are possible for those who believe." I pray that creative miracles be loosed and that every demon attacking the immune system or causing physical decay to be driven out in the name of Jesus.

May their bodies function properly, and may they be able to live full, healthy lives. I pray for the restoration of memory, proper brain function, and healing for internal organs.

Right now, in Jesus name all unclean spirits attached to the physical body come up and out in the name of Jesus. Spirit of infirmity out now in Jesus name. The all-consuming fire of God burn up every lingering spirit of infirmity and may it be cast right now into outer darkness to never return into these bodies.

The word declares in, Isaiah 53:5, "but he was wounded for our transgressions, he was bruised for our iniquities; the chastisement for our peace was upon him, and by his stripes we are healed.

We thank you Jesus for full healing and deliverance of our bodies, minds and souls. Thank you for complete restoration right now. In the mighty name of Jesus Christ. Amen.
