

Deliverance from the Demonic Spirit of Leviathan

Today I'm going to be praying for your deliverance against the Leviathan spirit. I'm going to be mainly praying against it in the sense that it causes rage, anger, division and miscommunication. The Leviathan spirit causes a lot of pride with regard to how people communicate and have misunderstandings, miscommunications, strife, and things of that nature. I'll be praying against a variety of different issues with regard to this topic.

If you have any problems correlated to that, or if the Lord showed you that you have a spirit of Leviathan, I'm going to be praying for you today in the Name of Jesus Christ.

To begin, make sure that you repent of all sin, known and unknown, committed by either you or your ancestors. Walk in Holiness and walk in the opposite characteristics of the Leviathan spirit. Walk in reconciliation. Walk in long suffering. Walk in understanding towards your neighbor that you would understand their position and understand where they're coming from. Use wisdom in your speech. Be as harmless as a dove, and as wise as a serpent.

If you have any unforgiveness for anyone in your heart, address it now. Forgive the trespasses of others as God in Christ forgave you. Unforgiveness in your heart is a way to block the receiving deliverance.

I'm going to pray for you now in Jesus' Name. You don't have to do anything while listening to this prayer, just receive it by *faith*. If you feel something manifesting maybe in your respiratory system or your stomach and you feel like it's starting to come out of you through the mouth or somewhere up in your head, you can actively pray in your mind against this spirit. Continue rebuking this spirit while you're receiving this prayer.

I don't recommend praying out loud while receiving deliverance prayer because you want to let those spirits come out of you and you don't want to actively be talking. Really fight it in your mind, be engaged in that regard, as you're receiving deliverance prayer, that's one good tip that I can give with regard to receiving deliverance more effectively.

Father, I thank you for the listener of this video. I thank you for my brother or sister in Jesus Christ. I pray, Father, that they would be totally set free today for Your glory.
