

# Cast Out Prayer for the Spirit of Death

I'm going to be praying for your deliverance today in the name of Jesus. I'm going to be praying against the spirit of death today, but I'm also going to be praying against a whole variety of other things as the Holy Spirit leads me. I'm going to be praying against murder, hatred, and I'm also going to be praying against spirits that will try to block your calling, your destiny. I'm going to be praying against any demons that came in through murderous acts. We also know that murder can be a thing of the heart, right? So, there can be death spirits even from situations like that.

I'm going to start praying for you now. You can repeat this prayer after me or simply listen and agree with it.

You could just say, *"Father, I come before you in the name of Jesus. I ask you, Lord, to deliver me. I renounce all demons. I renounce the spirit of death. I renounce the spirit of destruction, and I renounce the spirit of murder. Please forgive me, Lord, for all sin. In the name of Jesus, I pray. Amen."*

I want to quote a verse from Hebrews chapter 2. It says that *Jesus came to destroy him who had the power of death, that is the devil, to deliver us who were subject to the fear of death.* So, Jesus destroyed him who has the power of death. Praise be to God through what Jesus Christ has done, we can be set free from all death and all of the bondage of the enemy related to that. That is the scripture I'm basing this prayer on.

Father God, I just thank you for each and every one of my brothers and sisters who is listening to this video today. I pray in Jesus' mighty name that they'd be able to receive deliverance. Your word says in the book of Luke, *"Behold, I give you power to step on the snakes and scorpions, and nothing by any means shall harm you."* So, we come against every scorpion, every snake, every spirit that is associated with death, and we bind these spirits. I bind the strong man of death and destruction in the mighty name of Jesus.

Father, every demonic spirit that is on a mission to bring death to people's dreams, to bring death to people's families, to bring spiritual death to people's souls, I pray in the mighty name of Jesus Christ that these spirits would be driven out today. I cancel every demon that is on a mission to bring about death and destruction in their lives in the name of Jesus Christ. I thank you, Father God.

I come against every spirit of death that came in through abortion, every spirit of death that came in through premature death in family members and ancestors. Father, any spirits of death that have come down the bloodline and are trying to cause premature death in people's lives, I pray that it would be stopped today. Lord, your word says that

we shall not die but live and proclaim the works of the Lord. I come against every spirit of suicide, self-mutilation. You devils have to go right now in the mighty name of Jesus Christ.

Father God, every spirit that gives people a fascination with death, a fascination with self-destruction, a love of self-destruction, a hatred of life, I pray, Father God, that it be broken. Your word says, Father God, that all who hate you love death, so I pray that the love of death would be broken in the name of Jesus. Father, they would be able to have a proper value and love of life. I know we're not supposed to love our lives unto death, but we should genuinely appreciate the life you have given us, Lord. So, I pray that a wave of gratitude and joy over the blessing of life would be loosed unto my brothers and sisters.

Every demonic spirit of death, we command you out right now in the name of Jesus Christ. Come up and out, spirits. All the way out right now. We command you to flee. Come up and out of the mouth, come out of the eyes, the nasal passage. We command you spirits to be evicted in the name of the Lord Jesus Christ.

Father God, every spirit of death that came in through abortion, that came in through murder, any spirits of death and murder that came down the dad's side of the family through being involved in gangs or drugs or murderous acts. Father God, any spirits of anger or hatred in the heart, I pray that they will be driven out. Because Father, your word says that no murderer has eternal life abiding in him. So, Father, any spirits that try to provoke people to hatred and anger towards their brothers, I pray that be driven out right now in the mighty name of Jesus Christ.

Father, every demon that tricks people into word-cursing themselves with death statements, I pray that be broken. Every word curse of death that has been spoken over their lives, their families, their dreams, I command it broken now in the mighty name of Jesus Christ. Come up and out, spirits. Father, any demons that are enforcing word curses, any demons that are behind generational curses of death, may they be driven out now in the name of Jesus. We command you spirits out in Jesus' name. Come up and out of the mouth, all the way out, spirits. We command you to go now in Jesus' name, all the way out of the body.

Father, any demons of death or murder that have come in through being betrayed, that have come in through being rejected, I pray that will be driven out now in the name of Jesus Christ. All the way up and out, spirits, go now in Jesus' name. Go now in the mighty name of Jesus Christ.

Father, every spirit of suicide, self-mutilation, suicidal thoughts, suicidal tendencies, I pray that will be driven out. Contemplating death, contemplating the death of others, I pray that be driven out in the name of Jesus. Murderous violent spirits that give

fantasies and imaginations of the downfall or even death and destruction of other human beings, I pray that will be driven out. Because Father, your word says that vengeance belongs to the Lord. So, Father God, every demon that gives fantasies of the death of other human beings, I pray that will be driven out in the mighty name of Jesus Christ.

Every death spirit that operates within families, I pray that will be driven out in the name of Jesus. Come up and out, spirits. Come up and out, spirits. We command you to go right now. You have to flee in the powerful mighty name of Jesus Christ. In the powerful name of Jesus, come out spirits right now. We break your hold in Jesus' name. We break your hold in Jesus' name. The Bible says the wages of sin is death, but the gift of God is eternal life through our Lord Jesus Christ. So, we command you spirits to go. Come up and out right now. All the way out. Every death and decay spirit that has come in through addiction. Father, any drug addiction spirits, any addiction spirits that work with death, I pray that will be driven out.

Father God, any death spirits that cause untimely random accidents or near-death experiences with health complications or car crashes, or people trying to violently attack you, I pray that be broken right now in the name of Jesus Christ. Come up and out, spirits. Father, every demon that is on a mission to prematurely kill people, I pray that will be driven out. Lord, your word says that if we refrain our tongues from evil, that we can walk in long life. Lord, your word promises long life for those who are walking uprightly. So, I thank you, Father God, right now in the name of Jesus, that the enemy will not be able to take them out of this life early.

Father, any dread of this life, wanting to leave this life early in an unrighteous fashion, I pray that will be broken off of their lives in Jesus Christ's mighty name. Father, your word says to forget the things which are behind and press onward to the high calling which is in Christ Jesus. Any demons that make people drown in the sorrow of the past, any demons that make people drown in traumatic events, evil memory recall, replaying traumatic events in the mind, I pray that it be broken right now in the name of Jesus. We command you spirits all the way up and out. All the way up and out, devils, right now. Go in Jesus' name.

Heavenly Father, in the mighty name of Jesus Christ, I come before you to address and drive out all spirits associated with death and destruction. I pray against any death spirits that have entered through pharmakeia, the jab, unrighteous medication, or twisted pharmaceutical drugs. I command every infirmity spirit to leave right now out of the bloodstream, mouth, and eyes.

In Jesus' name, I command spirits associated with murder, death, and destruction to leave the children of God. Your Word states that *we have the mind of Christ and the*

*helmet of salvation*. Therefore, I release division into the camp of Satan and his kingdom. I pray for confusion among the enemies of the Lord, and for the fiery furnace of God to bring destruction to the kingdom of darkness.

Jesus Christ came to destroy the works of the devil, so I destroy all works of death, decay, and destruction now. Spirits that bring destruction to relationships and health complications, leave now. I command you to come out from the throat, esophagus, chest, diaphragm, and anywhere else you might be hiding.

I pray for the removal of spirits that cause murderous or hateful thoughts. Any spirits of witchcraft working with death spirits are commanded to go in Jesus' name. You have no power in the presence of Jesus Christ, who has defeated principalities and powers.

I pray against any death spirits that entered through smoking, drugs, or any form of substance abuse. All fear of death, including fears of accidents, health issues, or any virus, must be broken now. Fear spirits, come out and leave in Jesus' name. God has not given us a spirit of fear, but of power, love, and a sound mind.

I break the generational curses of death and fear. Spirits that cause premature death through ancestral acts are commanded to leave. I pray for the fire of the Holy Spirit to purge any remaining spirits, filling the voids with life and abundant blessings.

I thank You, Father, for delivering my brothers and sisters today. May they be filled with Your Holy Spirit and experience Your abundant life. In Jesus' name, I pray. Amen.
