

Deliverance from Python & Kundalini

Today I am going to be praying for deliverance from Python and Kundalini spirits. I'm believing that God is going to move powerfully through this prayer. The spirit of Python many times comes in through New Age involvement. However, it's not exclusive to that situation.

A Python spirit could be causing a variety of different problems in your life. Even if you don't think you have this problem, it can be good to listen to the prayer anyways. There's been people that have commented that they didn't think that they needed deliverance from a particular spirit, but after watching the prayer they realized that they did need that prayer. I'm going to be praying for you in the name of Jesus.

Make sure that you repent of all sin, such as New Age, yoga, or anything that opened a door to these evil spirits. Turn from all sin. Seek the Lord, that he would reveal to you the condition of your heart. I pray that you wouldn't have just surface-level repentance, or gloss over sin as though it's no big deal. I pray that you would genuinely lay your life down for the Lord Jesus Christ. I pray that you would seriously consider all of your ways and be submitted to the Lord. Amen.

Before we start praying, make sure that you find a comfortable place where you won't be distracted. Father, in the name of Jesus, I want to pray for this viewer today. I pray against the spirit of Python in the name of the Lord Jesus Christ. Father, we take authority over every Python spirit and every Kundalini spirit in the powerful name of the Lord Jesus Christ. Father, we bind up every serpent.

Your word says, in Luke Chapter 10, that we have power to trample on snakes and scorpions. So we trample on every plan and every path of the Python spirit. Every Python spirit that is doing witchcraft in their lives, that is doing divination attacks against them, that is trying to choke out their spiritual life, come out.

Every Python spirit trying to choke their airway, trying to choke their finances, trying to choke their spiritual growth or their intimacy with the Lord, I bind it. I bind every Python spirit that hinders reading the Bible, that hinders prayer and fasting, that hinders worshiping and praising God. We bind every Python spirit in the might name of Jesus.

Every spirit of Python that is working with the spirit of distraction, come out. Every spirit that is working with the fowls of the air to steal the word of God from their heart, I bind and curse you. I command every Python spirit to uncoil from their bodies in the name of

the Lord Jesus Christ. Any Python spirit in the chest or the lungs, we command you to come up and out right now in the name of Jesus.

Father, every Python spirit that is lodged in the viewer's body or mind, I command the spirit of Python to unravel, to uncoil. Father, any Python spirits that formerly sat under spirit husband or spirit wife, we command it to come up and out. Python spirits that are of a marine nature, Python spirits associated with sexual sin demons, I command you to come out.

Father God, we bind up every adder in the name of Jesus. We thank you, Lord, that no evil shall befall us and that we will be able to tread upon the adder. Your word says the angel of the Lord camps about those who fear the Lord and delivers them. We pray that your warring angels would now attack the enemy of their lives in Jesus's name.

I pray, Father, that your angels would be loosed to cut the head off of every Python spirit. We ask you, Lord, to cut the head off of every Python spirit right now in the mighty name of the Jesus. I command the spirit of Python to come out of the respiratory system right now in the name of Jesus. Python, you cannot bind them up.

All Python spirits that are constricting their lives, we command you to release them. Python spirits causing setback and delay in their lives, come out. Divining spirits, we command you all out. All spirits that came in through kundalini awakening, New Age, or false church movements, we break them all off their lives right now in the name of the Lord Jesus Christ. Come up and out, spirits.

Python spirits that are trying to use trickery and deceit to plant lies in their mind, we uproot them. All Python spirits that are binding the mind, I pray that they be uprooted in Jesus's name. I command every spirit of Python to uncoil off their bones, uncoil off the spine, the neck and the shoulders, right now in Jesus's name. We command all broods of serpents or Pythons to be uprooted in the name of the Lord Jesus Christ.

Father, I pray these serpents would now unravel and uncoil. I command all serpents that are coiled in their bodies to unravel and come out in the name of the Lord Jesus Christ. Father, we pray the Holy Spirit's fire would engulf them from the top of their head to the souls of their feet in the name of the Lord Jesus Christ.

Father, I pray that these demons would die by fire and be driven out in the name of the Lord Jesus Christ. We loose the fire of Almighty God against you evil spirits. We loose God's all-consuming fire against you. Father, we command every serpent to burn up. Your word says in the book of Mark, Chapter 16, that serpents will not harm us. We take authority over every serpent right now in the name of the Lord Jesus Christ.

I command every any fangs in their body or mind to be pulled out in the name of the Lord Jesus Christ. Any demonic wisdom that that tries to masquerade as God's wisdom or God's voice, come out. Every Python spirit that is speaking lies, trying to mimic the voice of God or their own thoughts, creating static between them and God, we bind them in the name of Jesus.

Python spirits we command you to go to dry places right now, as the word of God says. In the name of Jesus Christ, I pray that any doors to Python would be closed right now in Jesus's name. We pray that any that any Python spirit trying to o hold on, trying to avoid leaving, would be uprooted right now. Come out of their bodies right now. We call fire from the throne room of heaven on you.

Python, we command you to detach, dislodge and uproot from this child of God. Come out of their personality, detach from their mind and come out right now in the name of Jesus. Every Python spirit that came in through New Age, meditation, yoga or kundalini yoga, we break it off in the name of Jesus.

We break off every heavy yoke from the enemy, we break off every heavy burden from them right now. Every serpent that brought yokes, we break them off in the name of the Lord Jesus Christ. Father. I pray that they would only bear the light burden and the easy yoke of Jesus Christ.

I pray that they be filled with the Spirit of God in true discernment. All false discernment that comes from Python, every demon that masquerades as the gift of discernment, but is lies, skepticism, doubt, bitterness or division, we break in the name of Jesus.

Come up and out of them right now. Spirits we have called you out. You've been exposed. They have called upon the name of the Lord and they have faith, since they clicked on this video. They have faith to be delivered, so you demons have to go.

The Bible says it is by faith that we are healed. that we are made whole, that we are set free. Father God, I thank you for the listener's faith. In the name of Jesus, by their faith and my faith, I come into agreement for their complete deliverance in Jesus's name.

Every demonic spirit that is saying, 'you won't be free,' we break those lies in the name of Jesus. Father, I pray that they would be strengthened in their inner man according to the riches of your glory. Father God, I pray that those spirits would not be able to make them weary in well-doing, but that they be filled with your spirit right now in the name of the Lord Jesus Christ.

Father, we take the sword of the Spirit and we cut the head off of every serpent spirit that hears the sound of my voice. We slice the head off every serpent that brings deception. We slice the head off every serpent that uses the deceit to lead them astray, like the serpent did Eve in the garden. We break them all off in Jesus's name right now.

We were warned those spirits about in 2 Corinthians, Chapter 11. We expose any counterfeit spirits that try to mimic God's spirit. We expose all counterfeit spirits right now in the name of the Lord Jesus Christ.

Every serpent, we command you to reveal your true nature and release their lives in the name of the Lord Jesus Christ. No Python spirit will prosper in their life. No Python spirit will be able to function in their life. Father, we neutralize every serpent in Jesus's name. I command every serpent to be neutralized right now.

Any serpents in the nervous system, any serpents moving around in the body, every demon that is manifesting like a serpent in their body, we bind you and we command you to be driven out in the name of the Lord Jesus Christ. Come up and out right now. We command you out of the nervous system.

Any Python spirits that produce heat, false sensations, deceptive sensations in the body or the nervous system, I command those devils to release them entirely right now. Python spirits, I command you to release them entirely right now. Come up and out of their mouth. Come out of the body gates right now.

Python, you don't have any legal rights over the children of God. Father God, we thank you that the devil's legal rights were destroyed on the cross. You demons cannot use the lie of legal rights if they have called upon the name of Jesus. They will be delivered.

Father God, in the name of Jesus, we thank you for moving, thank you for destroying every stronghold. Lord, please shake everything that can be shaken. Any underlings that are sitting underneath a Python, come out of their mouth through burping, yawning, sneezing, coughing, crying. Don't try to hold on in there. Come out in Jesus's name.

Python, we break your stubbornness in Jesus's name right now. Father God, I pray that this saint would see an abundance of godly fruit in their life. In the name of Jesus, I pray that they would see life transformation as they receive this prayer by faith.

Father God, may they have mental clarity. May they have self-control. May they have joy and the fruit of the Holy Spirit. Father God, we give you praise and we give you thanks. Father God, any demonic spirits that are still manifesting, I bind them up in the name of the Lord Jesus Christ. I command them to be bound and to go wandering in dry places.

Python, you are not ruler over their life. You cannot influence their life, Father. From this day forward, I pray that they would be set free from the spirit of Python. Lord, your word says it is for freedom that Christ has set us free. We spoil the plans of every Python spirit. We cancel every mission of witchcraft, delay, distraction and deception against their life. We cancel those missions in Jesus's name.

Father, we thank you by faith that these spirits are being driven out in Jesus's powerful name. Father God, we thank you and we give you praise in Jesus's mighty name. God bless you guys in the name of Jesus Christ.

If you are still receiving deliverance, if you're having manifestations, you can click back to the beginning of this video. Keep rewatching it multiple times. The demons will keep coming out of you. If you're still having manifestations, you can keep rewatching it.

I just want to say, sometimes not every demon can come out through these videos. sometimes you have to pray with another believer. Sometimes you have to be with a brother, a sister, or a minister. That person could get a word of knowledge or discernment from the Lord, or tell you to do something that you're not quite figuring out on your own.

Prayer is most effective when it's with another person or people. With self-deliverance videos, you could go through a majority of your deliverance just with those. But there are times and places where God will literally lead you to pray with somebody in real time and not just watch prayers.

This ministry has 12 live prayer groups a week in Zoom, at 11 AM and 7 PM Eastern time. Visit DeliveranceRevolution.org and look for the Contact Us page. Submit the form so that we will know how to pray for you. Then join us for deliverance and discipleship.

I hope that you were blessed by this prayer. Feel free to share your testimony in the comments and give glory to God. God bless you guys in Jesus's name.
