

Deliverance From Rejection & Loneliness

I'm very excited to pray this prayer today. I'm going to be praying against rejection. Rejection is a spirit that tries to operate under the radar. Rejection can come in early in life. Then it tries to bring in other spirits. Rejection is a root problem. We're going to be dealing with it today.

I'm going to pray against it in the name of Jesus. Many people struggle with rejection who might not even realize it. People can get rejection spirits in a number of ways. If you struggle with emotional problems, loneliness, feelings of rejection, inadequacy or fear, many times rejection is at the root of them.

If we pray against rejection, you will be able to see and notice differences in many areas of your life. Before we begin, find a comfortable place where you're not going to be interrupted while I pray for you.

I'm going to be praying for your deliverance in the name of Jesus. You might want to grab a tissue or something, because many times rejection spirits will come out through crying or a runny nose. It's important to not hold those tears in. Allow that stuff to come out in the name of Jesus.

I'll lead you through a prayer to renounce these spirits. You're going to renounce things from the past and give it to God, so you can receive deliverance. Just say, Father, I come before you in Jesus's name. I ask you, Lord, to deliver me. I renounce all rejection. I renounce rejection from family members and others. I renounce all spirits that came from being rejected. I ask you, Lord, to heal my soul. I ask you, Lord, to please heal my heart in Jesus's name. Amen.
