

Deliverance Prayer from Evil Memory Recall

Cast Out

Today I'm going to be praying for Your deliverance against demonic spirits that try to make people live in the past, or flash certain images or memories or past traumas, etc. across the mind.

To receive deliverance you have to have repentance and a life of self-denial along with it. Before we begin, renounce and repent of all sin, past or present, known or unknown, that you or Your ancestors may have been involved in. Repent means to turn away from, so truly repent and don't go back to these sins. Also consciously forgive others who have hurt you or sinned against you, remembering to forgive Yourself as well for how you have hurt others. Really forgive, don't just say it and not mean it, for the Lord knows our hearts. Unforgiveness is a blocker to deliverance, and it also separates us from God. Forgive as God in Christ has forgiven us, even though we have been undeserving.

I want to encourage you to find a place where you're not going to be interrupted or distracted, and you can just peacefully listen to this video without having Your privacy interrupted while receiving deliverance.

Father, in Jesus' Name, I thank you for my brothers and sisters. Lord, I pray for their deliverance right now. Father, in the Name of Jesus, I pray that every demonic spirit that is coming against their life would be bound in the Name of the Lord Jesus Christ. I pray, Father God, Your fire from the top of their head to the soles of their feet. Father, we pray that deliverance would already begin to start to break out in the Name of Jesus.
