

Deliverance from Gluttony, Eating Disorders & Comfort Eating

I'm going to be praying today for your deliverance regarding any kind of gluttony problems or eating disorders. I'm also going to be praying for healing regarding the internal organs. Make sure to find a comfortable place before we pray where you're not going to be distracted or interrupted so that you can listen to this video all the way through. You may have different manifestations while I pray for you, that's totally fine and sometimes you might not have super intense manifestations while receiving deliverance prayer, and that's not inherently bad either.

Before we begin the prayer, it is very important that you renounce and sincerely repent of all sin that you or your ancestors have committed, whether known or unknown. To repent of your sin means to turn away from it, not just to say you're sorry and go right back to the sin. Come out of agreement with your sin by renouncing it and then turn away from it by repenting. Also, bring to mind anyone, including yourself, against whom you may be holding onto unforgiveness and truly forgive that person or yourself. Jesus has told us that we must give forgiveness to receive forgiveness from our Heavenly Father. We must forgive one another as God in Christ has forgiven us. Holding onto unforgiveness, bitterness, and anger can prevent us from receiving full deliverance.

If you want to you can go ahead and renounce any issues that you might be having with eating disorders. You can say, "I renounce all gluttony and overeating. I renounce all eating disorders. I renounce all trauma that led to eating disorders, and I renounce every demonic spirit in Jesus Name."
