

Deliverance from Lust, Jezebel, Hate, Rejection, Bitterness, Leviathan, and Fear

I'm going to be praying for you today for deliverance from a variety of demons that commonly affect people.

Before we begin, I want to share with you that two deliverance blockers that I find are that people have unforgiveness or they have unconfessed sin. Those are two very, very big ones. The Bible says confess your sins one to another and pray for one another that you may be healed. It's very important to have that confession of sin. Confess your sins out loud to the Lord, and He is faithful and just to cleanse us from all unrighteousness, is what the Bible says. It also says in Matthew Chapter 18 that if we hold unforgiveness for other people, the Lord is going to deliver us unto the tormentors, which would be demons obviously. You can't get deliverance from the demons if you have unforgiveness for other people, and even for yourself.

As we pray, you can take a step of faith by calling upon the Name of Jesus Christ and telling the demons to come out of you after confessing your sin to the Lord. The Bible says whosoever calls upon the Name of the Lord shall be delivered. During deliverance try to look at me because the demons hate the light that's in the minister's eyes.

I'm going to pray for you guys now in the Name of Jesus. I come against every demon, in the mighty Name of Jesus Christ. Thank you, Father! We praise Your Holy Name, Lord God! I thank You for the deliverance right now that everybody's received all across the country, even possibly across the world. Father, we praise Your Holy Name and thank You for the deliverance, in the Name of Jesus Christ. We thank You, Father God! Amen! Amen! Praise God! Thank you, Lord Jesus, for everybody's deliverance right now. We just rejoice with You together, Lord God, and we thank You that deliverance is the children's bread. You give us a feast, Lord God! Amen!

It is very important to realize that deliverance is the children's bread. This is not something that's a one-time event. The demons want to confuse you and say you already got deliverance, they've already come out of you, you don't have any demons anymore, to try to deceive you to try to halt your refinement, to try to halt your deliverance. It's very important to understand that there can be even legions of demons inside of people, and a legion can be up to six thousand demons. I know many of the churches will teach otherwise. They will teach contrary, but we have to stick to what the Bible teaches, that's very important. It's very important we allow the Lord to pull these things out of us, to heal us from our wounds, to deliver us from these demons. Every weight that holds us down, that gives us burden, to lay it aside in the Name of Jesus.
