

Singleness, Isolation & Broken Relationships Deliverance Prayer

Today I'm going to be praying for your deliverance that you be set free in the mighty Name of Jesus. I'm going to be praying against all kinds of different demons that mess with relationships with regards to singleness, marital problems, but also with regards to relationships in general. Demons can cause issues in relationships whether it be demons trying to get people to reject you or repetitive broken relationships, singleness, or bickering and fighting constantly in relationships.

Before we begin, start by renouncing all forms of sin that you or your ancestors may have participated in, whether known or unknown. Really be honest and renounce and repent of any and all sin, even if you believe you have been able to hide it from God. Psalm 139:23-24 says "Search my heart and know me, Lord. Remove from me every wicked way and lead me in the way everlasting." Also search your heart for any unforgiveness you may be holding onto, even if that unforgiveness is for yourself, and consciously forgive. If we want our Heavenly Father to truly forgive us, then we must forgive all made in His image, as He forgave us through the sacrifice of His only begotten Son.

Make sure that you find a place where you are not going to be distracted or interrupted.

I'm going to be praying for you now in the Name of Jesus. You can come out of agreement with the enemy, and you can come into agreement with the Word of God by agreeing with this prayer in the Name of Jesus, Amen!
