

Deliverance from Diet/Food Infirmities & Demons

Today, I'm going to be praying for your deliverance and healing. I'm going to be specifically praying in this video for people who have issues that have come from food or from their diet. In our modern civilization, especially for those of you who live in America; we've eaten tons of food that have caused us to have various issues. You know you could say a vast majority of the illnesses: the cardiovascular illnesses, the autoimmune diseases etc. that we deal with are actually caused by the things that we've been consuming the past 100 - 150 years.

I'm going to be praying that God would set you free. I realize there's a whole host of issues, from skin issues to brain development issues. Honestly, I'm very convinced that a majority of the illnesses we deal with today in western civilization are from the things that we consume. Before we start praying, I just want to encourage you guys. If you haven't yet, definitely consider doing some critical thinking into the things that you're consuming. If you're consuming a lot of seed oils, ultra processed foods from these big corporations, they're poisoning us guys.

A lot of the illnesses we deal with is because of these things. We're going to pray and get delivered and God's going to heal you subsequently. Obviously, what you want to do in that situation is not keep causing the same problem to reoccur. You can complain about having inflammation in your body, having an autoimmune disease and all these different things but then you eat Lucky Charms for breakfast and toast. You don't have any protein, don't have any good fat....you guys get the point right? Don't consume a bunch of garbage afterwards. You don't have to be legalistic about it at the same time.

I like to tell people that receiving good doctrine, receiving good teaching receiving, good spiritual edification can be just as important as the deliverance prayer. Even just speaking these words, the revelation that you receive when a minister is speaking wisdom can bring deliverance. The word of God ministering to you brings deliverance, brings healing and it's not merely just through prayer. So don't look at receiving deliverance merely through that lens of somebody praying for you.

I know there's a lot of different illnesses out there that have many different names. Even if I don't mention it specifically, receive this prayer by faith in Jesus name. Father, in Jesus name, I thank you for the listener of this video. I pray, Father that you would bless them as they receive this prayer. Lord, I believe that you can restore, deliver and set free from whatever damage or problems have been caused in their life as a result of the standard American diet or a western diet. Father, all demonic spirits that are behind this, we bind them up in the name of Jesus Christ.

Spirit of infirmity, spirit of destruction, spirit of gluttony, spirit of death, spirit of generational infirmity, we bind you all up in Jesus Christ's name. Every demonic spirit that has worked within the genetics to cause people to be predisposed to certain illnesses, cancers, diabetes, cardiovascular illnesses, we cast you all out in Jesus name. Any spirits that are trying to trigger certain genetic responses, mutations to cause deformities, and illnesses in the body. Father, in the name of Jesus, we cast out any demons that have to do with parasites. Lord, I pray that you would supernaturally cleanse people from parasites as they receive this prayer in the name of Jesus.

I pray that their organs would be able to heal themselves in the name of Jesus Christ. Father, that they would be able to have good bacteria, that they would be metabolically healthy. Lord, I pray that they would have the bacteria that they need in their body, the cells that they need in their body to function properly in the name of Jesus. Any demonic spirits that make people deceived with the deceitfulness of sin: to look at ultra processed food, to look at destructive food as appetizing, we cast you out in Jesus name.

Every demonic spirit that causes a demonic pull for fake foods that have been made in a lab, and constructed for profit to destroy people's health, we cast you out in Jesus name. Every demon that's still causing a veil over people's eyes, a veil over people's minds for these foods. I pray that as they receive this prayer, and the verses in this prayer, Father God, it would be like medicine to their flesh in Jesus name. Your word says Father in Proverbs 4 that "The Commandments of God will be strength to the Flesh of those who hear and obey in the name of Jesus Christ."

Father, I pray that they will able to receive this prayer and your word going forward as medicine to their organs. Lord, heal every organ, kidney, spleen, liver, stomach and all the rest in the name of Jesus. The organs that need healing, I pray in the name of Jesus that they would be healed. Any soul ties to these mega corporations, we sever them right now in the name of the Lord Jesus Christ. Even demonic spirits that are foundational: fear of starvation, fear of rejection, fear of displeasing people, we command it all to go in the name of Jesus right now! Demons that tell people it doesn't matter what you eat because you're a Christian, we break this deception in the name of Jesus! The word of God says that, "All that we should do, we should do it to the glory of God." In the name of Jesus, all demonic poison that is inside of people's organs, I command it out in the name of Jesus. Wherever you spirits have fed them spiritually, harmful food in the dreams, eating in the dreams, come out in Jesus name. Witchcraft, demonic food and poison that has been fed to them in the dreams, come out in the name of Jesus Christ. Right now, every spirit of witchcraft causing this phenomenon in the dreams. Leave the people of God and let the people of God go in the name of the Lord Jesus Christ. They are Sons and Daughters of the Most High God.

Help them God, give them wisdom going forward to be mindful in Jesus name, to be mindful of how they use their vessel. Father, that they wouldn't use it ignorantly but that they would walk in wisdom in the name of Jesus Christ. Thank you Lord! Help us Lord not to be proud or ungrateful, for we know that there are many who don't have access to the knowledge of God. Father, those who are listening to this video have access so we thank you Lord God in the name of Jesus.

I thank you Father for my brothers and sisters. Bless them, fill them with the Holy Spirit. I pray that your Holy Spirit would bring healing to every organ of their body in the name of Jesus Christ. We believe by faith that it is done in Jesus name. I'm believing in Jesus name that God is healing you and that it's being done as we pray. You will be able to walk away transformed in the name of Jesus.

God bless you guys in the mighty name of Jesus Christ. Please do a deep dive into some of the exposing that has been done of the seed oils, the food dyes or the artificial flavors, the artificial colors, the artificial sweeteners. Guys, these things make people feel so tired, body's aching, all these different things. Yes, demons can cause these

ailments but if you're putting poison in large quantities in your body three times a day, that's going to be an element of it as well. I know many of you who are watching this video are aware of that already so I praise God for that.
