

Deliverance from Fantasy, Vain Imagination & Daydreaming

Today I'm going to be praying for your deliverance, that you would be set free from demons that attack the mind with daydreaming, fantasy or regret. I will be praying against dwelling on things that are not of God, living in a fantasyland about things that you've done in the past, whether it's about things that you are covetous about, whether lust of the flesh that you are tempted to dwell in, whatever it might be.

It's good to use our imagination in certain ways and be creative. God has given us that ability. But the enemy can definitely take advantage and twist that. I'm going to be praying for you guys now in Jesus's name. Make sure that you repent of any sin that you may be involved in that is opening the door to this, so that going forward, you can keep the door shut so the same problem does not keep springing up again.

I'm going to pray for you now. You have to receive this prayer by faith because of the promises of God's word and because of what Jesus Christ has done for you on the cross. You can receive deliverance. Father, in Jesus's name I thank you for the listener of this video.

Come out of the mind. Mind-binding spirits, go right now in Jesus Christ's mighty name.

Mind-binding spirits, go right now in the name of the Lord Jesus Christ. I call out octopus spirits, squid spirits that bind the mind, release them and go right now in the name of the Lord Jesus Christ. Come all the way up and out, all the way up and out. I come once again against the spirit of escapism that came in during trauma, that came when there was nothing to do.

Spirit of boredom, come out. Spirit of boredom, that says, "oh, you're just bored," and makes people dwell upon a place of fantasy, daydreaming, and wasting endless hours of time. Every demonic spirit that causes a complete neglect of the responsibilities of

Go, you wicked spirit. Every unclean spirit that hears the sound of my voice, every demonic spirit that causes complaining, negativity, murmuring, because of bad things in one's own life, we command it to go right now in the name of the Lord Jesus Christ.

Self-pity, go in the name of Jesus Christ. Go up and all the way out, spirits, right now in the mighty name of the Lord Jesus Christ. You have to flee. Go, go, go, go. Every demonic spirit that gives people a workaholic mindset, a hustle mindset, we break that off in the name of Jesus Christ right now. Every demonic spirit that tells people they need to slave away and then they'll finally be happy, we break that lie in Jesus's name.

Father, I know that we are supposed to work hard, that you've called us to labor for your kingdom, to work for our families, to provide for our families. But every demonic spirit that makes people obsessive about work, about achieving and success, about living a prosperous life, we break that lie in the name of Jesus. Father, we thank you that we are blessed by your grace, we are blessed, Father God, by what you are doing in our lives.

Inadequacy, come out now in the name of the Jesus. Every demonic spirit that makes people feel like a failure, so they focus on other people's lives, we command it to go. That's a deception. The grass is not always greener. Father God, we break that deception that always tells people, if they just had this, if they just had that, everything would be solved. We break it off right now in the name of Jesus Christ.

Come out, you wicked spirits. Out, out, out, out in Jesus Christ's mighty name. You wicked devils, go to the abyss right now. You go in Jesus Christ's name right now. Come out of the children of God. Deliverance is the children's bread, so you demons have to go right now in Jesus's name. Come out.

Jealousy that results in anger, jealousy that results in rage, jealousy that results in murderous thoughts, jealousy that results in hatred, come out now. Every demonic spirit that makes people hate others who have succeeded or achieved, come out.

Lord, your word says not to envy, and do not be desirous of the blessings of sinners. When all of the workers of iniquity spring up as grass, know that they shall be destroyed forever. Lord, I pray that my brothers and sisters would not envy the success that comes from the devil; so-called life achievement that comes from the devil.

Father God, I pray in Jesus's name that the children of God would be filled with contentment and gratitude. Your word says, "godliness with contentment is great gain. For we brought nothing into the world, and we can take nothing out of it." Lord, let them have appreciation for what you've blessed them with in their lives, in the name of the Lord Jesus Christ. Every demonic spirit that is contrary to that, I call it out right now in the name of the Lord Jesus Christ.

Go, you wicked devils. Come out, out, out in Jesus's name. Come out in the mighty name of the Lord Jesus Christ. Father, your word says to be sober and vigilant, for our adversary goes about like a roaring lion, seeking whom he may devour. I pray, Father, that they would be sober and vigilant.

Let the same mind that was in Christ Jesus us be in us. Lord, I pray that they will have a mindset of a servant, a mindset of humility in the name of Jesus Christ. Every demonic spirit that brings discouragement, saying you should be further along in your life or

financially to try to discourage them, I break that discouragement in the name of the Lord Jesus Christ.

Father God, we thank you that if we sow to godliness we will reap in due season if we faint not, as your word says. Please fill them with patience, fill them with longsuffering to endure, to not be quick to give up. Every demonic spirit that makes people constantly give up right away when they try to do something new, I command it to go in the name of the Lord Jesus Christ.

Come out right now, you wicked devils. Go, go, go in the mighty name of the Lord Jesus Christ. Any anger towards God because of their life circumstances, I break that deception in the name of the Lord Jesus Christ. Father, your word says that every good and perfect gift comes from above, from the Father of Lights in whom there is no shadow of turning.

Father God, we thank you in Jesus Christ's mighty name for filling them. I thank you, Father, for filling them with gratitude about what you have given them and done for them in this life. I pray that they would fix their eyes upon Jesus, the author and finisher of their faith. Father God, I pray that they would not compare themselves with others. Every spirit of comparison, come out in Jesus Christ's name.

Every demonic spirit that makes people compare their faith, financial state, marriage, family or career to others, we command the spirit of comparison to go, go, go. Come all the way up and out right now in the name of the Jesus. You wicked spirits have to flee. Come out now in Jesus's name. We command you to completely release the children of God in the mighty name of the Lord Jesus Christ.

Father, your word says to set our minds on the things above and not on the things that are on this earth. I pray, Father, that they would be able to walk in the spirit, to dwell upon the things of God, to meditate upon the word of God, day and night. Your word says, if we do that we will be like a tree that is planted by the stream and that bears its fruit in due season.

There will be plentiful fruit born in our lives. Please be encouraged with that passage. I want to encourage you to have patience and long-suffering, to be grateful for what God has blessed you with. You don't have to compare yourself to other people. They are called to specific life circumstances. You're not called to the same circumstances as them. Just stay in your lane, as they say in modern lingo.

Walk in the life that God has planned and given you. Once you do that, you really realize it's the best for you. God gives us what's the best for us, what we need anyways. So why would we be jealous of other people's lives, when God has given us what we're supposed to have.

As I was implying in the prayer, yes, we should strive for improvement. We should strive for good goals in our lives. I'm not trying to take away from that, but we shouldn't do it in a controlling or a manipulative way. Nor should we beat ourselves up if we have not acquired X, Y and Z by a certain stage in our life.

Okay, so may God bless you. I pray that you're filled with the Holy Spirit in the Name of Jesus. I pray that you are able to go forward with a mindset of gratitude for what you do have, and dwelling upon the things of God. Amen. God bless you guys in Jesus's mighty name. I hope that you were blessed by this prayer. If you are still getting deliverance, start the video again and rewatch it.
