

# Deliverance from the Spirit of Bitterness & Unforgiveness

I'm going to be praying today against unforgiveness, bitterness, and different things that come along with bitterness and unforgiveness, such as anger, rage, stress, strife, and Leviathan.

Before we begin, make sure that you have repented of all sin, known and unknown, for yourself and your ancestors, and make sure to renounce all of these sinful acts. It's good practice to renounce your sins verbally as you repent for them, making it clear to the enemy that you are coming out of agreement with all works of the flesh. Also search your heart for any unforgiveness that you may be holding onto, for others or for yourself. It's really important that we strive to forgive other people because Jesus said if you do not forgive men their trespasses from your heart, your Heavenly Father will not forgive your sins. The Bible says that we should forgive one another just as God for Christ's sake has forgiven us.

Father God, in the Name of Jesus, I thank You for my brothers and sisters. Lord, I pray for their deliverance, in the Name of Jesus Christ. Father God, Your Word commands us to have forgiveness. Your Word says that we should seek holiness and peace with all men, without which no one shall see the Lord, and we should not let a root of bitterness rise up and get up in us whereby many be defiled. I pray, Father God, that the brothers and sisters who are listening to this video would not be numbered among those who are defiled by bitterness. Father, it is so easy for bitterness to creep in unaware so I just pray that You purify our hearts. Search our hearts, Lord God, as we come before You, in the Name of Jesus Christ.

Father God, I pray that if there's any hidden bitterness, any hidden unforgiveness that people are struggling with, that You would make it revealed to them right now. Father God, I pray that You place it upon their hearts who they need to forgive. If you need to forgive anybody, you can just say I forgive so and so out loud, even as we're praying right now. We need to forgive even those who continually offend us. You have to genuinely seek God. It's not just about the confession of your lips, you have to store good treasure in your heart, and then out of the abundance of the heart the mouth will speak good things. Seek God for self-forgiveness as well. You need to forgive yourself for anything that you've done wrong in the past because that can be a bondage as well.

Lord God, I pray for my brothers' and sisters' deliverance right now, in the Name of Jesus Christ. I pray, Father God, that every spirit of bitterness and unforgiveness would be bound, in the Name of Jesus. Father God, I bind the strong man of unforgiveness. Any demons that have come in through deep wounds of trauma, deep wounds of rejection I pray, Lord God, that they be driven out today and I pray that the soul wounds

would be healed as well. I pray, Father God that Your Holy Spirit would administer healing to their soul, in the Name of the Lord Jesus Christ.

Father God, Your Word says to pray for your enemies and bless those who persecute you. I pray, Lord God, that my brothers and sisters would be able to forgive those, and I pray for those and love those who are their enemies. Father God, I pray that they would be able to have deep genuine love for those who have wronged them. Father, in the Name of Jesus Christ, I pray that they be able to pray for their enemies.

Father God, every spirit of bitterness, every root of bitterness, we come against it and uproot it right now, in the Name of Jesus Christ.
