

Deliverance from Comparison & Related Spirits

Today in this video I'm going to be praying for your deliverance. I'm going to be praying that spirits that leads people to compare themselves to others would be uprooted from your life. We're going to be calling them out in the name of Jesus and casting them out as led by the Holy Spirit.

I believe this is going to be a powerful video for those of you who find yourself comparing yourself to others, or who struggle with competition. These spirits can disempower you through bringing discouragement, discontent and unhappiness. They can also sabotage people into spending lots of time, money and effort to change external things just to feel better.

The word of God says, in the book of 2 Corinthians, that those who judge themselves amongst themselves are not wise. You kind of self-reject yourself when you don't want to be yourself and who and what God created you to be. There is only one you in all the world. God does not use a cookie cutter to create people.

We're going to be praying now in the name of Jesus. Make sure to turn from all sin and anything against the will of God found in the holy scriptures that you are aware of. Ask the Lord if there's more things, so you can repent and turn from it in Jesus's name. I pray that you would be able to stay free from these spirits, that you would be able to abide in Jesus Christ and not slip back after your deliverance.
