

# **Deliverance from Hard Heart, Jezebel & Hate**

Today we're going to be praying against Jezebel and demons that try to harden your heart, block emotions, try to stop you from getting in the presence of God, and even demonic spirits that try to project certain emotions of hate or anger or rebellion.

Before we get started make sure if there's any sin that you're holding onto, even any sins of the heart that you need to repent of, that you do so now, because the Scripture says if you regard iniquity in your heart the Lord will not hear your prayer. It's very important to repent of all sin for yourself and your ancestors, whether known or unknown, before receiving deliverance and then go and walk in that repentance and not return back to the sin of this world. Also, bring to mind anyone you are holding unforgiveness toward, even if that means yourself, and make a conscious decision to forgive. The Lord says we are to forgive others if He is to forgive us. Holding onto unforgiveness can block deliverance.

Father God, in the Name of Jesus Christ, I thank You for all of my brothers and sisters. Father, I pray for their deliverance right now, in the Name of Jesus. I bind the strong man of Jezebel. I bind the strong man of Leviathan. I bind the strong man that is hindering them from entering into God's presence, and I command you demons that hear the sound of my voice to come up and out today, in the powerful Name of Jesus Christ. I pray Holy Spirit Fire from the top of their head to the soles of their feet. Every Jezebel spirit that came in through trauma, every Jezebel spirit that came down the mother side of the family that tries to get them to control their lives, every Jezebel spirit that hides behind trauma that that is a cover-up for hatred, that is a cover-up for fear, I command it to come up and out right now, in the powerful Name of the Lord Jesus Christ.
