

# **Deliverance from OCD, Codependency & Inordinate Affection**

I'm going to be praying for your deliverance from OCD, I'm going to be praying against intrusive thoughts, I'm going to be praying against codependency and inordinate affection. If you're bombarded by different kinds of thoughts like OCD, anxiety or being obsessed with things in your mind, we're going to pray for you today in the Name of Jesus Christ for you to be delivered as you listen to this video.

You may experience almost nothing or you may experience very intense manifestations, but the best way to judge is to see what improvements do you see internally. Do you have a clearer mind? Do you have more peace and self-control? Does the fruit of the Spirit manifest in your life? You should be seeing that as you receive deliverance.

I'm going to go ahead and pray for you in the Name of Jesus. Make sure that you're in a comfortable place where you're not going to be distracted or interrupted as you listen to this prayer. I pray that you are set free in the mighty Name of Jesus Christ. Pray to The Father if there's anything you need to renounce, repent of or if there's any sin that you want to turn from before you listen to this prayer, make sure to go ahead and do so now. You guys don't have to pray at all. I'll pray for you in the Name of Jesus Christ, so you can just receive.

Father, I thank You for my brothers and sisters. I pray for their deliverance in the Name of Jesus Christ. I bind the strong man. I come against every dominating world ruler that puts intrusive thoughts in the mind, every spirit trying to penetrate the mind with obsessive thoughts and with fearful thoughts. I come against the spirit of OCD. OCD over cleaning, over checking things and over hoarding. Spirit of hoarding come out now. OCD over needing reassurance from people, of being afraid of darkness and repetitive thoughts. All mind-binding spirits that put repetitive thoughts in the mind, we command it to go. All OCD spirits that cause endless rearranging and reorganizing. All spirits that cause fear, we command it to go. Every fear spirit that's working with OCD, come out of them in the Name of Jesus Christ.

Father God, I pray fire would touch them from the top of their head to the soles of their feet. Every spirit of rejection that allowed in codependency, come out. If you obsessively think about people in your life, the Word of God says that you need to love Jesus more than your brother, sister and mother. Father God, in the Name of Jesus Christ, I pray that they would not be obsessively thinking about the people in their life.

If they have fear of people abandoning them or fear of divorce, I command it to come out today, in the Name of the Lord Jesus Christ. Come out panic attacks and feeling restless if you don't have certain people's attention.

Come out right now, devils, come out of the mouth, come out of eyes, come out of the nasal passages. We tear you out in Jesus' Name. However you demons have to leave, we command you to leave, in the Name of Jesus. You are not welcomed here.
