

## Cast Out For Mental Illness

Praise the Lord!

This video addresses the critical subject of casting out demonic spirits that cause mental illness in a person's life. It specifically targets spirits that have been identified as responsible for mental illness, damage, and destruction. These spirits may have entered through:

Inheritance

Personal sin

Being a victim of sin—especially through abuse or harm inflicted by others

As we cast out these demonic spirits, we will command them aggressively to leave in the name of Jesus. They will be expelled from you, manifesting through:

Coughs

Sighs

The release of air from your mouth or other orifices

I encourage you to follow the directions, as this is a practical video on casting out demonic spirits.

Prayer for Deliverance

First, I will lead you in a prayer to prepare for deliverance. Say this aloud:

Heavenly Father, in the name of Jesus, I bind every demon spirit in and around me. In Jesus' name, I confess all sins I have ever committed, both knowingly and unknowingly. I believe that I receive forgiveness and cleansing from all unrighteousness.

I forgive every person who has ever wronged me, hurt me, or caused emotional damage in my life. I thank You for giving me authority over all demonic spirits to cast them out.

I declare the remission of my sins and the remission of the sins committed against me. I remit and send forth the effects of the sins and iniquities of my forefathers and all preceding generations that have caused emotional bondages in my life.

I thank You that as I cast out these demonic spirits from the area of my emotions, You will set me free, heal me, and restore me. In Jesus' name, Amen.
