

Deliverance from Gender Role Reversal (Effeminate & Jezebel Spirit)

God bless you brothers and sisters. Today I'm going to be praying for your deliverance concerning problems of gender role reversal meaning when men take on feminine characteristics or women take on masculine characteristics. This is where women take the dominant, masculine leader position and men take more of a cowardice submissive position. I'm going to be praying today in the name of Jesus that God would set you free whether you are a male or a female.

As we begin the prayer, it is very important that you renounce and sincerely repent of all sin that you have committed, whether known or unknown. Come out of agreement with your sin by renouncing it and then turn away from it by repenting. Also, bring to mind anyone, including yourself, against whom you may be holding unforgiveness against and truly forgive that person or yourself. Holding onto unforgiveness, bitterness, and anger prevents us from receiving full deliverance.

The Lord Jesus Christ can deliver you so that you can walk in your God-given identity. So, if you're a woman and have subtle bitterness towards men or you try to overpower people or if you're a man and you're not effeminate but you struggle with being cowardice or you struggle with not being able to be firm in front of people.

I'm going to go ahead and pray for you guys in Jesus' Name. Pray after me: Father, help me help me Lord to be the man (woman) of God you've called me to be. I don't want to have a perversion of my identity. I don't want to have a perversion of my gender role. I don't want to be ambiguous or an individual that's half feminine and half masculine, I want to truly be the male (female) you've created me to be.

I'm going to pray now in Jesus' Name. Father, I thank You in the Name of Jesus Christ for the listener of this video. I pray that they would be set free Father God, in the Name of Jesus. Father, I pray that Your Holy Spirit would cause a fire in them in the Name of Jesus.
