Warfare Prayer to Overcome Serpents and Scorpions – Part I

(Best Prayed at Night)

Today, we enter a realm of aggressive spiritual warfare, confronting serpentine and scorpion spirits that represent deep-rooted demonic forces in the kingdom of darkness. In the spirit realm, Satan often manifests in serpent form, making these spirits prominent agents of destruction.

These serpentine powers are heavily involved in marine demonic activities, responsible for attacks like spirit spouses, fluctuating progress, barrenness, dream-invaded snake bites, ancestral bondage, evil family cycles, and strange body sensations. But today, by the power in the name of Jesus Christ, we rise to crush every trace of serpentine manipulation and oppression.

It doesn't matter how long you've been bound or afflicted—if you've seen snakes in your dreams or have been plagued by marine spirits, your story changes. As you cry out in faith and war in prayer, your deliverance shall manifest speedily, in Jesus' mighty name.
