

Prayer of Renunciation and Freedom from Bloodline Curses of Sickness and Death

Heavenly Father,

I come before You in the name of Jesus Christ, the Son of the Living God. I worship You as the Creator of heaven and earth, the Giver of life, and the One who holds my days in Your hand. Your Word declares, *“Bless the Lord, O my soul...Who forgives all your iniquities, Who heals all your diseases”* (Psalm 103:2–3). I honor You as the Lord who heals (Exodus 15:26) and the One who redeems my life from destruction. You are faithful to keep covenant and mercy for a thousand generations of those who love You (Deuteronomy 7:9). I stand in awe of Your power and Your love.

Father, I acknowledge that sickness, premature death, and patterns of infirmity have affected my family line. I confess that my ancestors may have committed sins that opened the door to curses—sins of idolatry, witchcraft, bloodshed, sexual immorality, addiction, abuse, hatred, or covenant-breaking. Your Word says, *“Our fathers sinned and are no more, but we bear their iniquities”* (Lamentations 5:7). I repent on behalf of my bloodline for every sin that brought sickness,

disease, barrenness, miscarriage, mental illness, or early death. I ask You to forgive the sins of my fathers and mothers, both known and unknown. I also repent of my own sins—any bitterness, unforgiveness, fear, or agreement with sickness that has given the enemy a foothold in my life.

Father, I thank You that through the cross of Jesus Christ the curse is broken: *“Christ has redeemed us from the curse of the law, having become a curse for us”* (Galatians 3:13). I cling to this promise as I pray.

In the mighty name of Jesus Christ, I renounce every generational curse of sickness, infirmity, and premature death that has operated in my family. I renounce inherited diseases, genetic disorders, chronic pain, cancer, heart disease, diabetes, autoimmune conditions, mental illness, and every pattern of infirmity passed down through my ancestors. I renounce every spirit of death, destruction, accident, and untimely loss. I renounce any covenant of sickness, blood sacrifice, or death that my ancestors may have entered knowingly or unknowingly.

By the authority of the blood of Jesus, I break every chain of generational sickness. I declare that the handwriting of ordinances against me has been wiped out (Colossians 2:14). I cancel every demonic assignment of disease and premature death over me and my descendants. I command every spirit of infirmity, affliction, or hereditary illness to leave me and my family line now, in Jesus' name.

Father, Your Word declares, *"You shall not die, but live, and declare the works of the Lord"* (Psalm 118:17). I declare that I will live a full life and fulfill every purpose written in my book (Psalm 139:16). I declare that the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death (Romans 8:2). I declare that by the stripes of Jesus I am healed (Isaiah 53:5; 1 Peter 2:24). I declare that sickness and disease shall not rule over my body (Romans 6:14). I declare that the same Spirit that raised Jesus from the dead gives life to my mortal body (Romans 8:11). I declare that my DNA is redeemed and aligned with the blood of Jesus.

I speak life and health over my organs, blood, bones, immune system, and every cell of my body. I speak life over my children, grandchildren, and future generations.

I proclaim that my family is covered by the blood of Jesus and marked for health, vitality, and long life.

Lord Jesus, I invite You into every place in my body where sickness has taken root. Release Your healing power and drive out all infirmity. Heal damaged organs, cleanse my blood, and strengthen my immune system. Restore what disease has stolen—energy, mobility, fertility, memory, and peace of mind. Let Your resurrection power flow through my body and family line.

Father, I ask You to reverse every medical diagnosis that is not aligned with Your will. Replace genetic weaknesses with supernatural strength. Renew my youth like the eagle's (Psalm 103:5). Release divine health and protection over my household.

Father, I dedicate my children and descendants to the Lord Jesus Christ. I speak blessing over their bodies, minds, and spirits. I declare that they shall live long, healthy lives and fulfill every destiny You have prepared for them. I ask that Your covenant of health and life rest upon our family for a thousand generations. May every child yet unborn be marked by the blood of Jesus and free from the curses of sickness and death.

Father, I thank You for the finished work of the cross. I thank You that Jesus took my sickness and carried my sorrows (Isaiah 53:4). I thank You that the curse is broken and life has triumphed over death. I praise You for healing, restoration, and protection.

I seal this prayer in the name of Jesus Christ and by the power of His blood.

Amen and Amen.
